Intro: The Matrix – Deciphered

Part 1: Satan’s Playbook – The Blue Pill – The Authority of Man

Part 2: The Way of Life – The Red Pill – The Authority of God

From the current authority of this world in this present age (The Protocols 1905): *We have long past taken care to discredit the priesthood of the GOYIM, and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. Freedom of conscience has been declared everywhere, so that now only years divide us from the moment of the complete wrecking of that Christian religion.*

... This is the reason why *it is indispensable for us to undermine all faith, to tear out of the minds of the GOYIM the very principle of Godhead, and the spirit, and to put in its place arithmetical calculations and material needs.*

... We must compel the governments of the goyim to take action in the direction favored by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called “Great Power”—*the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands. ... We have fooled, bemused and corrupted the youth of the GOYIM by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.*

... *a constitution, as you well know, is nothing else but a school of discords, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims ...*

... *we further distract them with amusements, games, pastimes, passions, people’s palaces. . . . Soon we shall begin through the press, to propose competitions in art, in sport of all kinds...*

... Our wise men, trained to become leaders of the goyim, will compose speeches, projects, memoirs, articles, which will be used by us to influence the minds of the goyim, directing them towards such understanding and forms of knowledge as have been determined by us.

Ezekiel 12:2 Son of man, you dwell in the midst of a rebellious house, who have eyes to see, but see not, who have ears to hear, but hear not, for they are a rebellious house.

Acts 2:17 And in the last days it shall be, God declares, that I will pour out my Spirit on all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams;

There will be some major events coming up in the near future. The current rulers of this world, the authority of man, are using Donald Trump as a central figure in their plans to create a one world government. Trump along with Elon Musk appear to be the first and second beasts as described in Revelation 13. They plan on pushing back on all of the liberal progress that started in America in the 1960’s in order to “Make America Great Again”. This is a trap to get you to worship the beast. Don’t fall for it!

Matthew 10:16 Behold, I am sending you out as sheep in the midst of wolves, so be wise as serpents and innocent as doves.

Intro: The Matrix – Deciphered

In the King James Version of the Bible, the matrix was another name for womb:

Numbers 3:12 And I, behold, I have taken the Levites from among the children of Israel instead of all the firstborn that openeth the matrix among the children of Israel: therefore the Levites shall be mine;

In the movie The Matrix there are two options, the red pill or the blue pill. If you take the blue pill you will stay plugged into the simulation and if you take the red pill you will be unplugged from the system and essentially be born again, just like Neo in the movie. The red pill symbolizes the sword of the Spirit, which is the word of God and the ultimate true authority. The blue pill symbolizes the authority of man, the current authority of this world in this age that we live in.

Revelation 13:18 This calls for wisdom: let the one who has understanding calculate the number of the beast, for it is the number of a man, and his number is 666.

The test of life is the single choice that we make every waking moment of our lives, and that is where we choose to put our belief and faith. Do you put your belief and faith in Jesus Christ or do you continue to worship the beast? You can think of the simulation in the movie as the history that we are told and the reality that is presented to us in the public education system, or the mainstream worldview. This reality is reinforced by the television, or the two-dimensional screen with moving images and sound. Our brains can't tell the difference between what's fake and what's real when we are watching what is presented to us on the screen (televisions, computers, S.M.A.R.T. phones). Both the public education system(s) and the screen are the two primary ways that the current authority of this world has managed to deceive us. Similar to the movie, we are all born into slavery. You can think of our situation as a Babylonian occupation rather than a Babylonian captivity.

Our core beliefs that are tied to our personal identity that shapes our entire worldview all come from the authority of man, or the beast. A major part of this test of life in this current age for Americans is the responsibility of questioning authority, which is applicable to citizens of all nations, and we should be able to because the first amendment is the freedom of speech. And when you begin to question authority, you must overcome cognitive dissonance and humble yourself and accept the fact that we are wrong for having put our belief and faith in mankind rather than our Lord Jesus Christ and the Word of God.

“It is the first responsibility of every citizen to question authority.” – Benjamin Franklin

"You have a problem with authority, Mr. Anderson." – Mr. Rhineheart, Neo's boss in The Matrix

“Sometimes people hold a core belief that is very strong. When they are presented with evidence that works against that belief, the new evidence cannot be accepted. It would create a feeling that is extremely uncomfortable, called cognitive dissonance. And because it is so important to protect the core belief, they will rationalize, ignore and even deny anything that doesn't fit in with the core belief.” – Frantz Fanon

“We’ll know our disinformation program is complete when everything the American public believes is false” – William Casey, CIA Director (from first staff meeting, 1981)

“The CIA owns everyone of any significance in the major media.” – William Colby, former CIA director

“Deception is a state of mind and the mind of the State.” – James Angleton, head of CIA counter intelligence from 1954-1974

“For we are opposed around the world by a monolithic and ruthless conspiracy that relies on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.” – President John F. Kennedy speech at the Waldorf-Astoria Hotel on April 27, 1961

“History is a set of lies agreed upon.” – Napoleon Bonaparte

“It’s easier to fool people than to convince them that they have been fooled.” – Mark Twain

There are five generations of warfare; we are currently in the fifth generation. Fifth-generation warfare is conducted primarily through non-kinetic military action, such as social engineering, misinformation, and cyberattacks, along with emerging technologies such as artificial intelligence and fully autonomous systems. Fifth generation warfare has been described by Daniel Abbot as a war of “information and perception.”

The following three quotes are from an interview with a former KGB spy named Yuri Bezmenov in 1984:

“The highest art of warfare is not to fight at all, but to subvert anything of value in the country of your enemy until such time that the perception of reality of your enemy is screwed up to such an extent that he does not perceive you as an enemy. You can then take your enemy without a single shot being fired.”

“Ideological subversion, or psychological warfare, changes the perception of reality to such an extent that despite the abundance of information, no one is able to come to sensible conclusions in the interests of defending themselves, their families, their community and their country.”

“Marxism ideology is being pumped into the soft heads of at least three generations of American students, without being challenged, or counterbalanced, by the basic values of Americanism... Most of the people who graduated in the 60’s are now occupying positions of power in the government, civil service, business, mass media, and educational system... They are programmed to think and react to a certain stimuli, in a certain pattern. **You cannot change their mind, even if you exposed them to authentic information. You cannot change the basic perception and logic of behavior. The process of demoralization is complete and irreversible.** The psychological shock, when they see in the future; when they see what the beautiful society of equality and social justice means in practice. Obviously, they will revolt. And Marxist, Leninist regime, does not tolerate these people.”

Morpheus: The matrix is everywhere. It is all around us. Even now in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work, when you go to church, when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth.

Neo: What truth?

Morpheus: That you are a slave Neo. Like everyone else you were born into bondage, born into a prison that you cannot smell or taste or touch. A prison... for your mind. Unfortunately, no one can be told what the matrix is. You have to see it for yourself.

Morpheus: What is the matrix? Control. The matrix is a computer-generated dream world built to keep us under control in order to change a human being into this (shows battery – mind-controlled slaves).

Morpheus: The matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system, and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system, that they will fight to protect it.

Neo: I can't go back, can I?

Morpheus: No, but if you could, would you really want to? I feel I owe you an apology. We have a rule – we never free a mind once it's reached a certain age. It's dangerous. The mind has trouble letting go. I've seen it before and I'm sorry.

Our captors and oppressors have poisoned our bodies and minds in every way imaginable. The water we drink, the food we eat, the air that we breathe, and all modern medicine especially vaccines. It's part of the reason why there has been a decrease in testosterone in men over the years, as well as the increase in autism in children, except for Amish children. We all have some degree of brain damage and that's something that is beyond our ability to fix. There's at least one study that concluded that watching the television while growing up causes permanent brain damage. This brain damage most likely continues throughout our lives depending on the type of content we are consuming and what we are doing while consuming it. Most people no longer have the ability to question authority in a nation where it is the first responsibility of every citizen to question authority.

Morpheus: We have only bits and pieces of information, but what we know for certain is that at some point in the early 21st century all of mankind was united in celebration. We marveled at our own magnificence as we gave birth to A.I. (Artificial Intelligence). A singular consciousness that spawned an entire race of machines. We don't know who struck first, us or them, but we know that it was us that scorched the sky. At the time, they were dependent on solar power, and it was believed that they would be unable to survive without an energy source as abundant as the sun. Throughout human history, we have been dependent on machines to survive. Fate, it seems, is not without a sense of irony.

Our history has been rewritten, but if we apply any and all information available to us, the deception of mankind or the servants of Satan began in the early 1500's with the Protestant Reformation (1517). You can think of the simulation as any law, commandment, belief, idea, invention and creation that came from mankind since the end of the Middle Ages, which was a 1,000 year period where Christianity spread throughout the world and reigned supreme especially among peoples of White/European descent. The servants of Satan began scorching the sky in the year 1517 and finally blocked out the sun in the year 1969 by having the people believe that we put a man on the moon. Or rather, they completely destroyed our ability to understand the Word of God and the true way of life from 1517 to 1969.

The Protestant Reformation gave birth to the idea that you can live a life of sin and still be saved, but whoever has that belief doesn't understand the full context of the verses that they use to justify that belief. According to scripture, what it means to have faith in Jesus Christ is to obey the commands/teachings of our Lord and that you show your faith by your works. With that in mind, the true way of life is essentially the patriarchy, the nuclear family unit, traditional gender roles, and working with our hands and living off the land.

The following is from the book *A History of Central Banking and the Enslavement of Mankind* by Stephen Mitford Goodson, a time when people actually had faith in Jesus Christ and were free from foreign parasitic satanic influence:

With tolerable taxes, no state debt and no interest to pay, England enjoyed a period of unparalleled growth and prosperity. The average laborer worked only 14 weeks and enjoyed 160 to 180 days holiday. According to Lord William Leverhulme, a writer of that time, "The men of the 15th century were very well paid", in fact so well paid that the purchasing power of their wages and their standard of living would only be exceeded in the late 19th century. A laborer could provide for all the necessities his family required. They were well clothed in good woollen cloth and had plenty of meat and bread.

Houston Stewart Chamberlain, the Anglo-German philosopher, confirms these living conditions in his *The Foundations of the XIXth Century*.

"In the thirteenth century, when the Teutonic races began to build their new world, the agriculturalist over nearly the whole of Europe was a freer man, with a more assured existence, than he is today; copyhold was the rule, so that England, for example – today a seat of landlordism – was even in the fifteenth century almost entirely in the hands of thousands of farmers, who were not only legal owners of their land, but possessed in addition far-reaching free rights to common pastures and woodlands."

During their spare hours many craftsmen volunteered their skills in building some of England's magnificent cathedrals, which reinforces one of the basic tenets of Western civilization that without leisure time, the fostering of culture is not possible. George Macauley Trevelyan, the English social historian, describes these accomplishments as follows:

"The continuous but ever-moving tradition of ecclesiastical architecture still proceeded on its majestic way, filling England with towering forests of masonry of which the beauty and grandeur have never been rivaled either by the Ancients or the Moderns... In the newer churches the light no longer crept but flooded in, through the stained glass, of which the secret is today even more completely lost than the magic of architecture."

If we focus on everything that happened after World War II in the USA, as well as other White European countries, it was the 1960's that we begin to see this extreme shift to the

political left with the Sexual Revolution, hormonal birth control (1960), gender equality, and feminism all in the name of “progress”, or liberalism. The reality is that liberalism is just lawlessness disguised as progress. So the White race living in Western civilization, which used to be Christendom, has been in an extreme act of rebellion against the ways of the Lord for over 60 years now. The 1960’s was also the decade when most Americans who were White and identified as Christian replaced the Bible with the television in their homes, which can be viewed as a satanic idol. And finally it was the 60’s when the public education system started teaching our children about their version of WWII history where we’re taught about the Holocaust where 6 million innocent Jews were exterminated in one of the worst ways imaginable for no apparent reason at all. And the bad guys were primarily Adolf Hitler who we’re taught to view as the devil and the Nazi’s as the ultimate evil, which is where the idea of White Supremacism comes from that prevents only the White race from having a love for their own people.

The other things that are taught to our children in the public education system where we don’t learn about the Word of God and Jesus Christ include:

- The heliocentric model of the universe and evolution, which brings the ideas of scarcity, global warming, overpopulation, sudden death by meteor strike, and the idea that life happened by chance eventually leading to death and nothing happens after.
- Our girls are taught that their natural God-given role in life of bearing and raising children is equivalent to slavery, and that slaving away for an employer for material wealth is somehow freedom.
- Their version of history regarding the American slave trade and colonialism, which serves to demonize the White race and make White people have guilt, shame, and even a hatred for their own race.
- The purpose of our lives once we graduate school is to focus on our own individual lives by competing against other people in order to get a job/career, while at the same time it has been getting harder to live and most people aren’t questioning why that is.

The matrix or simulation that is our worldview is a complete satanic inversion of the true way of life that is specifically targeted at the White race as just another way to genocide our people, however their poisons apply to whoever ingests them. As for the question: who are the true Israelites from the Old Testament? Leviticus 26 and Deuteronomy 28 in the Torah go over the Lord’s punishment for what will happen to the Israelites for rebelling against the ways of the Lord. Keep in mind that the White race living in Western civilization has been in an extreme act of rebellion for over 60 years now. Below are some of the key punishments:

Leviticus 26:17 I will set my face against you, and you shall be struck down before your enemies. Those who hate you shall rule over you, and you shall flee when none pursues you.

Deuteronomy 28:28-29 The LORD will strike you with madness and blindness and confusion of mind, 29 and you shall grope at noonday, as the blind grope in darkness, and you shall not prosper in your ways. And you shall be only oppressed and robbed continually, and there shall be no one to help you.

Deuteronomy 28:33-34 A nation that you have not known shall eat up the fruit of your ground and of all your labors, and you shall be only oppressed and crushed continually, 34 so that you are driven mad by the sights that your eyes see.

Deuteronomy 28:43-44 The sojourner who is among you shall rise higher and higher above you, and you shall come down lower and lower. 44 He shall lend to you, and you shall not lend to him. He shall be the head, and you shall be the tail.

Deuteronomy 28:47-51 47 Because you did not serve the LORD your God with joyfulness and gladness of heart, because of the abundance of all things, 48 therefore you shall serve your enemies whom the LORD will send against you, in hunger and thirst, in nakedness, and lacking everything. And he will put a yoke of iron on your neck until he has destroyed you. 49 The LORD will bring a nation against you from far away, from the end of the earth, swooping down like the eagle, a nation whose language you do not understand, 50 a hard-faced nation who shall not respect the old or show mercy to the young. 51 It shall eat the offspring of your cattle and the fruit of your ground, until you are destroyed; it also shall not leave you grain, wine, or oil, the increase of your herds or the young of your flock, until they have caused you to perish.

Who are the true Israelites? For those who have eyes to see and ears to hear and who have the ability to question authority and have woken up to what is really going on, the people who say they are Jews and claim to be God's chosen people who openly reject Jesus Christ as the Messiah and the New Testament are the descendants of the same people referenced in the following verses:

Revelation 2:9 I know your tribulation and your poverty (but you are rich) and the slander of those who say that they are Jews and are not, but are a synagogue of Satan.

Revelation 3:9 Behold, I will make those of the synagogue of Satan who say that they are Jews and are not, but lie—behold, I will make them come and bow down before your feet, and they will learn that I have loved you.

“Strictly speaking, it is incorrect to call an ancient Israelite a “Jew” or to call a contemporary Jew an “Israelite” or a “Hebrew.”” – 1980 Jewish Almanac Ch. 1: Identity Crisis

The first part of this document starts with the key parts of a document that was leaked from the people claiming to be God's chosen people over 120 years ago. This is followed with other key pieces of information as well as a section of quotes from many different historical figures. You can consider this part to cover the authority of man specifically in the times after the Middle ages. The second part brings it all back to the Word of God and Jesus Christ and the true way of life. This part goes into more detail about the current age that we live in, where the timeline is given to us in Revelation chapter 20.

Keep in mind that the true authority is the Word of God and Jesus Christ, which is the red pill. We have had all of the answers that we need this whole time, however due to the deception in order to more fully understand it you must first question authority and ultimately realize that we have all been led astray by worshipping the laws, commandments, and ideas of man. In order to fully take the red pill, you must turn to Christ and repent as well as turn away from sin. And if you are able to obtain enough of an understanding of what is actually going on, you would know that you need to take this information and at least try to awaken other people to what is actually happening. No one truly wants to keep taking the blue pill whether they realize it or not because that choice ultimately leads to eternal hellfire in the afterlife.

The sources for all of this information are things that I have saved especially over the last 6+ years that I obtained from other people spreading the truth. People have been awakening to the truth for many years now. Once you obtain enough pieces of the puzzle it becomes undeniable that we are living in the end times, and that it just boils down to your ability to humble yourself to the sheer power of the supernatural authenticity of the Bible. Jesus Christ is Lord and Satan will be defeated in the end.

Satan's Playbook

The Protocols of Zion: Key Parts

Of the Protocols themselves little need be said in the way of introduction. The book in which they are embodied was published by Sergyei Nilus in Russia in 1905. A copy of this is in the British Museum bearing the date of its reception August 10, 1906. All copies that were known to exist in Russia were destroyed in the Kerensky regime, and under his successors the possession of a copy by anyone in Sovietland was crime sufficient to ensure the owner's being shot on sight. The fact is in itself sufficient proof of the genuineness of the Protocols. The Jewish journals, of course, say that they are a forgery, leaving it to be understood that Professor Nilus, who embodied them in a work of his own, had concocted them for his own purposes.

Mr. Henry Ford, in an interview published in the New York World, February 17, 1921, put the case for Nilus tersely and convincingly thus:

"The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW."

"AGENTUR" AND "THE POLITICAL"

There are two words in this translation which are unusual, the word "Agentur" and "political" used as a substantive. Agentur appears to be a word adopted from the original and it means the whole body of agents and agencies made use of by the Elders, whether members of the tribe or their Gentile tools. By "the Political" Mr. Marsden means, not exactly the "body politic" but the entire machinery of politics.

The term "Goyim" meaning Gentiles or non-Jews, is used throughout the Protocols and is retained by Mr. Marsden.

Protocol 1:

Alcohol

Behold the alcoholized animals, bemused with drink, the right to an immoderate use of which comes along with freedom. It is not for us and ours to walk that road. The peoples of the goyim are bemused with alcoholic liquors; their youth has grown stupid on classicism and from early immorality, into which it has been inducted by our special agents—by tutors, lackeys, governesses in the houses of the wealthy, by clerks and others, by our women in the places of dissipation frequented by the goyim. In the number of these last I count also the so-called "society ladies" voluntary followers of the others in corruption and luxury.

"Liberty, Equality, Fraternity", Destruction of the Aristocracy

Far back in ancient times we were the first to cry among the masses of the people the words "**Liberty, Equality, Fraternity**," words many times repeated since those days by stupid poll-parrots who from all sides round flew down upon these baits and with them carried away the well-being of the world, true freedom of the individual, formerly so well guarded against the pressure of the mob. The would-be wise men of the goyim, the intellectuals, could not make anything out of the uttered words in their abstractness; did not note the contradiction of their meaning and inter-relation; did not see that in nature there is no equality, cannot be freedom; that Nature herself has established inequality of minds, of characters, and capacities, just as immutably as she has established subordination to her laws; never stopped to think that the mob is a blind thing, that upstarts elected from among it to bear rule are, in regard to the political, the same blind men as the mob itself, that the adept, though he be a fool, can yet rule, whereas the

non-adept, even if he were a genius, understands nothing in the political—to all these things the goyim paid no regard; yet all the time it was based upon these things that dynastic rule rested; the father passed on to the son a knowledge of the course of political affairs in such wise that none should know it but members of the dynasty and none could betray it to the governed. As time went on the meaning of the dynastic transference of the true position of affairs in the political was lost, and this aided the success of our cause.

In all corners of the earth the words “Liberty, Equality, Fraternity” brought to our ranks, thanks to our blind agents, whole legions who bore our banners with enthusiasm. And all the time these words were canker-worms at work boring into the well-being of the goyim, putting an end everywhere to peace, quiet, solidarity and destroying all the foundations of the goya States. As you will see later, this helped us to our triumph; it gave us the possibility, among other things, of getting into our hands the master card—the destruction of the privileges, or in other words of the very existence of the aristocracy of the goyim, that class which was the only defence peoples and countries had against us. On the ruins of the natural and genealogical aristocracy of the goyim we have set up the aristocracy of our educated class headed by the aristocracy of money. The qualifications for this aristocracy we have established in wealth, which is dependent upon us, and in knowledge, for which our learned elders provide the motive force.

Protocol 2

Science (Unproven Theories)

The administrators, whom we shall choose from among the public, with strict regard to their capacities for servile obedience, will not be persons trained in the arts of government, and will therefore easily become pawns in our game in the hands of men of learning and genius who will be their advisers, specialists bred and reared from early childhood to rule the affairs of the whole world. As is well known to you, these specialists of ours have been drawing to fit them for rule the information they need from our political plans from the lessons of history, from observations made in the events of every moment as it passes. The goyim are not guided by practical use of unprejudiced historical observation, but by theoretical routine without any critical regard for consequent results. We need not, therefore, take any account of them—let them amuse themselves until the hour strikes, or live on hopes of new forms of enterprising pastime, or on the memories of all they have enjoyed. **For them let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the goyim will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our agentur specialists have cunningly pieced together for the purpose of educating their minds in the direction we want.**

Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for **Darwinism**, Marxism, Nietzsche-ism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the goyim.

The Press

In the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to

express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the goyim States have not known how to make use of this force: and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade: thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is worth in the sight of God a thousand goyim.

Protocol 3

Destruction of the Aristocracy, Social Masonry

The people under our guidance have annihilated the aristocracy, who were their one and only defense and foster-mother for the sake of their own advantage which is inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grinding scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

We appear on the scene as alleged saviors of the worker from this oppression when we propose to him to enter the ranks of our fighting forces—Socialists, Anarchists, Communists—to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labor of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite—in the diminution, the killing out of the GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

Economic Crisis, French Revolution, “Freedom”

This hatred will be still further magnified by the effects of an economic crisis, which will stop dealings on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe. These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

“Ours” they will not touch, because the moment of attack will be known to us and we shall take measures to protect our own.

When the populace has seen that all sorts of concessions and indulgences are yielded it in the name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but, naturally, like every other blind man it has come upon a host of stumbling blocks, it has rushed to find a guide, it has never had the sense to return to the former state and it has laid down its plenipotentiary powers at our feet. **Remember the French Revolution, to which it was we who gave the name of “Great”: the secrets of its preparations are well known to us for it was wholly the work of our hands.**

Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favor of that King-Despot of the blood of Zion, whom we are preparing for the world.

At the present day we are, as an international force, invincible, because if attacked by some we are supported by other States. It is the bottomless rascality of the goyim peoples, who crawl on their bellies to force, but are merciless towards weakness, unsparing to faults and indulgent to crimes, unwilling to bear the contradictions of a free social system but patient unto martyrdom under the violence of a bold despotism—it is those qualities which are aiding us to independence. From the premier-dictators of the present day the goyim peoples suffer patiently and bear such abuses as for the least of them they would have beheaded twenty kings.

What is the explanation of this phenomenon, this curious inconsequence of the masses of the peoples in their attitude towards what would appear to be events of the same order?

It is explained by the fact that these dictators whisper to the peoples through their agents that through these abuses they are inflicting injury on the States with the highest purpose—to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things the people are destroying every kind of stability and creating disorders at every step.

The word “freedom” brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature. For this reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

These beasts, it is true, fall asleep again every time when they have drunk their fill of blood, and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle.

Protocol 4

Undermine Faith, Equality, Industry/Materialism

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. Gentile masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.

But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God, upon the brotherhood of humanity, unconnected with the conception of equality, which is negated by the very laws of creation, for they have established subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon earth. This is the reason why ***it is indispensable for us to undermine all faith, to tear out of the minds of the GOYIM the very principle of Godhead, and the spirit, and to put in its place arithmetical calculations and material needs.***

In order to give the goyim no time to think and take note, their minds must be diverted towards industry and trade. Thus, all the nations will be swallowed up in the pursuit of gain and in the race for it will not take note of their common foe. But again, in order that freedom may

once for all disintegrate and ruin the communities of the goyim, we must put industry on a speculative basis: the result of this will be that what is withdrawn from the land by industry will slip through the hands and pass into speculation, that is, to our classes.

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the goyim will follow our lead against our rivals for power, the intellectuals of the goyim.

Protocol 5

Robbed of Faith in God

In the times when the peoples looked upon kings on their thrones as on a pure manifestation of the will of God, they submitted without a murmur to the despotic power of kings; but from the day when we insinuated into their minds the conception of their own rights they began to regard the occupants of thrones as mere ordinary mortals. The holy unction of the Lord's Anointed has fallen from the heads of kings in the eye of the people, and when we also robbed them of their faith in God the might of power was flung upon the streets into the place of public proprietorship and was seized by us.

Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common and all sorts of other quirks, in all which the goyim understand nothing, belongs likewise to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity.

Religious and Race Hatreds

For a time perhaps we might be successfully dealt with by a coalition of the GOYIM of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the goyim, religious and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong—there is no evading our power. The nations can not come to even an inconsiderable private agreement without our secretly having a hand in it.

The First Secret

Capital, if it is to cooperate untrammelled, must be free to establish a monopoly of industry and trade; this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war; more important to use for our advantage the passions which have burst into flames than to quench their fire; more important to catch up and interpret the ideas of others to suit ourselves than to eradicate them. *The principal object of our directorate consists in this: to debilitate the*

public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards a sham fight of empty eloquence.

In all ages the peoples of the world, equally with individuals, have accepted words for deeds, for they are content with a show and rarely pause to note, in the public arena, whether promises are followed by performance. Therefore we shall establish show institutions which will give eloquent proof of their benefit to progress.

We shall assume to ourselves the liberal physiognomy of all parties, of all directions, and we shall give that physiognomy a voice in orators who will speak so much that they will exhaust the patience of their hearers and produce an abhorrence of oratory.

In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as will suffice to make the GOYIM lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

The Second Secret

The second secret requisite for the success of our government is comprised in the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any kind of personal initiative which might in any degree hinder our affair. There is nothing more dangerous than personal initiative; if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the goyim communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of action saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. By all these means we shall so wear down the GOYIM that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government. In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

Protocol 6

Deprived of Land

The aristocracy of the goyim as a political force, is dead—we need not take it into account; but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they live. It is essential therefore for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property—in loading lands with debts. These measures will check land-holding and keep it in a state of humble and unconditional submission.

The aristocrats of the goyim, being hereditarily incapable of contenting themselves with little, will rapidly burn up and fizzle out.

Raising Wages and Prices

To complete the ruin of the industry of the goyim we shall bring to the assistance of speculation the luxury which we have developed among the goyim, that greedy demand for luxury which is swallowing up everything. *We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: we shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.*

Protocol 7

Control of the Press

We must compel the governments of the goyim to take action in the direction favored by our widely-conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called “Great Power”—***the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.***

In a word, to sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

Protocol 9

Anti-Semitism

The words of the liberal, which are in effect the words of our masonic watchword, namely, “Liberty, Equality, Fraternity,” will, when we come into our kingdom, be changed by us into words no longer of a watchword, but only air expression of idealism, namely, into: “The right of liberty, the duty of equality, the ideal of brotherhood.” That is how we shall put it—and so we shall catch the bull by the horns. . . . *De facto* we have already wiped out every kind of rule except our own, although *de jure* there still remain a good many of them. Nowadays, if any States raise a protest against us it is only *pro forma* at our discretion and by our direction, for *their anti-Semitism is indispensable to us for the management of our lesser brethren.* I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

Division

It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace: *but we will not give them peace until they openly acknowledge our international Super-Government,* and with submissiveness.

The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. *Division into fractional parties has given them into our*

hands, for, in order to carry on a contested struggle one must have money, and the money is all in our hands.

False Theories

In order not to annihilate the institutions of the goyim before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the springs which move their mechanism. These springs lay in a strict but just sense of order; we have replaced them by the chaotic license of liberalism. We have got our hands into the administration of the law, into the conduct of elections, into the press, into liberty of the person, *but principally into education and training as being the corner-stones of a free existence.*

We have fooled, bemused and corrupted the youth of the GOYIM by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

Protocol 10

Voting, Destruction of the Family

When we have accomplished our coup d'état we shall say then to the various peoples: "Everything has gone terribly badly, all have been worn out with sufferings. We are destroying the causes of your torment—nationalities, frontiers, differences of coinages. You are at liberty, of course, to pronounce sentence upon us, but can it possibly be a just one if it is confirmed by you before you make any trial of what we are offering you," . . . Then will the mob exalt us and bear us up in their hands in a unanimous triumph of hopes and expectations. Voting, which we have made the instrument which will set us on the throne of the world by teaching even the very smallest units of members of the human race to vote by means of meetings and agreements by groups, will then have served its purposes and will play its part then for the last time by a unanimity of desire to make close acquaintance with us before condemning us.

To secure this we must have everybody vote without distinction of classes and qualifications, in order to establish an absolute majority, which cannot be got from the educated propertied classes. In this way, by inculcating in all a sense of self-importance, we shall destroy among the goyim the importance of the family and its educational value and remove the possibility of individual minds splitting off, for the mob, handled by us, will not let them come to the front nor even give them a hearing; it is accustomed to listen to us only who pay it for obedience and attention. In this way we shall create a blind, mighty force which will never be in a position to move in any direction without the guidance of our agents set at its head by us as leaders of the mob. The people will submit to this regime because it will know that upon these leaders will depend its earnings, gratifications and the receipt of all kinds of benefits.

Liberalism, Constitution, President

When we introduced into the State organism **the poison of Liberalism** its whole political complexion underwent a change. States have been seized with a mortal illness—blood poisoning. All that remains is to await the end of their death agony.

Liberalism produced Constitutional States, which took the place of what was the only safeguard of the goyim, namely, Despotism; and ***a constitution, as you well know, is nothing else but a school of discords, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims*** — in a word, a school of everything that serves to destroy the personality of State activity. *The tribune of the "talkeries" has, no less effectively than the Press,*

condemned the rulers to inactivity and impotence, and thereby rendered them useless and superfluous, for which reason indeed they have been in many countries deposed. Then it was that the era of republics became possible of realization; and then it was that we replaced the ruler by a caricature of a government—by a president, taken from the mob, from the midst of our puppet creatures, our slaves. This was the foundation of the mine which we have laid under the goy people, I should rather say, under the goy peoples.

One King

By such measures we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the constitutions of States to prepare for the transition to an imperceptible abolition of every kind of constitution, and then the time is come to turn every form of government into *our despotism*.

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the people, utterly wearied by the irregularities and incompetence—a matter which we shall arrange for—of their rulers, will clamour: “Away with them and give us one king over all the earth who will unite us and annihilate the causes of discords—frontiers, nationalities, religions, State debts—who will give us peace and quiet, which we cannot find under our rulers and representatives.”

But you yourselves perfectly well know that *to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all else.*

Protocol 11

Freemasonry

The goyim are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock? . . .

There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties. . . .

It is not worth while to say anything about how long a time they will be kept waiting for this return of their liberties. . . .

For what purpose then have we invented this whole policy and insinuated it into the minds of the goys without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organization of SECRET MASONRY WHICH IS NOT KNOWN TO, AND AIMS WHICH ARE NOT EVEN SO MUCH AS SUSPECTED BY, THESE GOY CATTLE, ATTRACTED BY US INTO THE “SHOW” ARMY OF MASONIC LODGES IN ORDER TO THROW DUST IN THE EYES OF THEIR FELLOWS.

God has granted to us, His Chosen People, the gift of the dispersion, and in this which appears in all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.

There now remains not much more for us to build up upon the foundation we have laid.

Protocol 12

The Press, Liberalism/Anarchism, Influence Mental Development

We shall deal with the press in the following way: What is the part played by the press today? It serves to excite and inflame those passions which are needed for our purpose or else it serves selfish ends of parties. It is often vapid, unjust, mendacious, and the majority of the public have not the slightest idea what ends the press really serves. We shall saddle and bridle it with a tight curb: we shall do the same also with all productions of the printing press, for where would be the sense of getting rid of the attacks of the press if we remain targets for pamphlets and books? The produce of publicity, which nowadays is a source of heavy expense owing to the necessity of censoring it, will be turned by us into a very lucrative source of income to our State: we shall lay on it a special stamp tax and require deposits of caution-money before permitting the establishment of any organ of the press or of printing office; these will then have to guarantee our government against any kind of attack on the part of the press. For any attempt to attack us, if such still be possible, we shall inflict fines without mercy. Such measures as stamp tax, deposit of caution-money and fines secured by these deposits, will bring in a huge income to the government. It is true that party organs might not spare money for the sake of publicity, but these we shall shut up at the second attack upon us. No one shall with impunity lay a finger on the aureole of our government infallibility. The pretext for stopping any publication will be the alleged plea that it is agitating the public mind without occasion or justification. *I beg you to note that among those making attacks upon us will also be organs established by us, but they will attack exclusively points that we have pre-determined to alter.*

Not a single announcement will reach the public without our control. Even now this is already being attained by us inasmuch as all news items are received by a few agencies, in whose offices they are focused from all parts of the world. These agencies will then be already entirely ours and will give publicity only to what we dictate to them.

If already now we have contrived to possess ourselves of the minds of the goy communities to such an extent that they all come near looking upon the events of the world through the colored glasses of those spectacles we are setting astride their noses: if already now there is not a single State where there exist for us any barriers to admittance into what goy stupidity calls State secrets: what will our position be then, when we shall be acknowledged supreme lords of the world in the person of our king of all the world. . . . Let us turn again to the future of the printing press. Every one desirous of being a publisher, librarian, or printer, will be obliged to provide himself with the diploma instituted therefor, which, in case of any fault, will be immediately impounded. With such measures the instrument of thought will become an educative means in the hands of our government, which will no longer allow the mass of the nation to be led astray in by-ways and fantasies about the blessings of progress. Is there any one of us who does not know that these phantom blessings are the direct roads to foolish imaginings which give birth to anarchical relations of men among themselves and towards authority, because **progress, or rather the idea of progress, has introduced the conception of every kind of emancipation, but has failed to establish its limits. . . . All the so-called liberals are anarchists, If not in fact, at any rate in thought. Every one of them is hunting after phantoms of freedom, and falling exclusively into license, that is, into the anarchy of protest for the sake of protest . . .**

We turn to the periodical press. We shall impose on it, as on all printed matter, stamp taxes per sheet and deposits of caution-money, and books of less than 30 sheets will pay double. We shall reckon them as pamphlets in order, on the one hand, to reduce the number of

magazines, which are the worst form of printed poison, and, on the other, in order that this measure may force writers into such lengthy productions that they will be little read, especially as they will be costly. At the same time what we shall publish ourselves **to influence mental development in the direction laid down for our profit** will be cheap and will be read voraciously. The tax will bring vapid literary ambitions within bounds and the liability to penalties will make literary men dependent upon us. And if there should be any found who are desirous of writing against us, they will not find any person eager to print their productions. Before accepting any production for publication in print the publisher or printer will have to apply to the authorities for permission to do so. Thus we shall know beforehand of all tricks preparing against us and shall nullify them by getting ahead with explanations on the subject treated of.

Literature & Journalism, Controlled Opposition

Literature and journalism are two of the most important educative forces, and therefore our government will become proprietor of the majority of the journals. This will neutralize the injurious influence of the privately-owned press and will put us in possession of a tremendous influence upon the public mind. . . . If we give permits for ten journals, we shall ourselves found thirty, and so on in the same proportion. This, however, must in no wise be suspected by the public. For which reason all journals published by us will be of the most opposite, in appearance, tendencies and. opinions, thereby creating confidence in us and bringing over to us our quite unsuspecting opponents, who will thus fall into our trap and be rendered harmless.

In the front rank will stand organs of an official character. They will always stand guard over our interests, and therefore their influence will be comparatively insignificant.

In the second rank will be the semi-official organs, whose part it will be to attract the tepid and indifferent.

In the third rank we shall set up our own, to all appearances, opposition, which, in at least one of its organs, will present what looks like the very antipodes to us. Our real opponents at heart will accept this simulated opposition as their own and will show us their cards.

All our newspapers will be of all possible complexions—aristocratic, republican, revolutionary, even anarchical—for so long, of course, as the constitution exists. . . . Like the Indian idol Vishnu they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required. When a pulse quickens these hands will lead opinion in the direction of our aims for an excited patient loses all power of Judgment and easily yields to suggestion. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party they will in fact follow the flag which we hang out for them.

These attacks upon us will also serve another purpose, namely, that our subjects will be convinced of the existence of full freedom of speech and so give our agents an occasion to affirm that all organs which oppose us are empty babblers, since they are incapable of finding any substantial objections to our orders.

Methods of organization like these, imperceptible to the public eye but absolutely sure, are the best calculated to succeed in bringing the attention and the confidence of the public to the side of our government. Thanks to such methods we shall be in a position as from time to time may be required, to excite or to tranquillize the public mind on political questions, to persuade or to confuse, printing now truth, now lies, facts or their contradictions, according as they may be

well or ill received, always very cautiously feeling our ground before stepping upon it. . . . *We shall have a sure triumph over our opponents since they will not have at their disposition organs of the press in which they can give full and final expression to their views* owing to the aforesaid methods of dealing with the press. We shall not even need to refute them except very superficially.

Trial shots like these, fired by us in the third rank of our press, in case of need, will be energetically refuted by us in our semi-official organs.

Even nowadays, already, to take only the French press, there are forms which reveal masonic solidarity in acting on the watchword: all organs of the press are bound together by professional secrecy; like the augurs of old, not one of their numbers will give away the secret of his sources of information unless it be resolved to make announcement of them. Not one Journalist will venture to betray this secret, for not one of them is ever admitted to practice literature unless his whole past has some disgraceful sore or other. . . . These sores would be immediately revealed. So long as they remain the secret of a few the prestige of the journalist attracts the majority of the country—the mob follow after him with enthusiasm.

Protocol 13

Distractions, Liberalism/Progressivism

In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly. The masses are agreed to remain inactive, to take a rest from what they suppose to be political activity (which we trained them to in order to use them as a means of combating the goy governments) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about ***we further distract them with amusements, games, pastimes, passions, people's palaces. . . . Soon we shall begin through the press, to propose competitions in art, in sport of all kinds:*** these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, **people will begin to talk in the same tone as we, because we alone shall be offering them new directions for thought . . .** of course through such persons as will not be suspected of solidarity with us.

The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive: for have we not with complete success turned the brainless heads of the goyim with progress will there is not among the goyim one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule. Who will ever suspect then that ALL THESE PEOPLES WERE STAGEMANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES? . . .

Protocol 14

New World Order (NWO)

When we come into our kingdom it will be undesirable for us that there should exist any other religion than ours of the One God with whom our destiny is bound up by our position as the Chosen People and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see today, it will not, being a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us. Therein we shall emphasize its mystical right, on which, as we shall say, all its educative power is based. . . . Then at every possible opportunity we shall publish articles in which we shall make comparisons between our beneficent rule and those of past ages. The blessings of tranquility, **though it be a tranquility forcibly brought about by centuries of agitation**, will throw into higher relief the benefits to which we shall point. The errors of the goyim governments will be depicted by us in the most vivid hues. We shall implant such an abhorrence of them that the peoples will prefer tranquility in a state of serfdom to those rights of vaunted freedom which have tortured humanity and exhausted the very sources of human existence, sources which have been exploited by a mob of rascally adventurers who know not what they do. . . . *Useless changes of forms of government to which we instigated the GOYIM when we were undermining their state structures, will have so wearied the peoples by that time that they will prefer to suffer anything under us rather than run the risk of enduring again all the agitations and miseries they have gone through.*

Synagogue of Satan, Influencing Minds, Progressivism

Our philosophers will discuss all the shortcomings of the various beliefs of the goyim, BUT NO ONE WILL EVER BRING UNDER DISCUSSION OUR FAITH FROM ITS TRUE POINT OF VIEW SINCE THIS WILL BE FULLY LEARNED BY NONE SAVE OURS, WHO WILL NEVER DARE TO BETRAY ITS SECRETS.

*In countries known as **progressive and enlightened we have created a senseless, filthy, abominable literature.*** For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours. . . . Our wise men, trained to become leaders of the goyim, will compose speeches, projects, memoirs, articles, **which will be used by us to influence the minds of the goyim, directing them towards such understanding and forms of knowledge as have been determined by us.**

Protocol 15

NWO, Freemasonry, Police/Law Enforcement

When we at last definitely come into our kingdom by the aid of coups d'etat prepared everywhere for one and the same day, after the worthlessness of all, existing forms of government has been definitely acknowledged (and not a little time will pass before that comes about, perhaps even a whole century), we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom. Every kind of new institution of anything like a secret society will also be punished with death; those of them which are now in existence, are known to us, serve us and have served us, we shall disband and send into exile to continents far

removed from Europe. **In this way we shall proceed with those GOY masons who know too much;** such of these as we may for some reason spare will be kept in constant fear of exile. We shall promulgate a law making all former members of secret societies liable to exile from Europe as the center of our rule.

Resolutions of our government will be final, without appeal.

In the goy societies, in which we have planted and deeply rooted discord and protestantism, the only possible way of restoring order is to employ merciless measures that prove the direct force of authority: no regard must be paid to the victims who fall, they suffer for the well-being of the future. The attainment of that well-being, even at the expense of sacrifices, is the duty of any kind of government that acknowledges as justification for its existence not only its privileges but its obligations. The principal guarantee of stability of rule is to confirm the aureole of power, and this aureole is attained only by such a majestic inflexibility of might as shall carry on its face the emblems of inviolability from mystical causes—from the choice of God. Such was, until recent times, the Russian autocracy, the one and only serious foe we had in the world, without counting the Papacy. Bear in mind the example when Italy, drenched with blood, never touched a hair of the head of Sulla who had poured forth that blood: Sulla enjoyed an apotheosis for his might in the eyes of the people, though they had been torn in pieces by him, but his intrepid return to Italy ringed him round with inviolability. The people do not lay a finger on him who hypnotizes them by his daring and strength of mind.

Meantime, however, until we come into our kingdom, we shall act in the contrary way: we shall create and multiply free masonic lodges in all the countries of the world, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principal intelligence office and means of influence. All these lodges we shall bring under one central administration, known to us alone and to all others absolutely unknown, which will be composed of our learned elders. The lodges will have their representatives who will serve to screen the above-mentioned administration of masonry and from whom will issue the watchword and programme. In these lodges we shall tie together the knot which binds together all revolutionary and liberal elements. Their composition will be made up of all strata of society. The most secret political plots will be known to us and will fall under our guiding hands on the very day of their conception. ***Among the members of these lodges will be almost all the agents of international and national police*** since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, et cetera.

Freemasons

The goyim enter the lodges out of curiosity or in the hope by their means to get a nibble at the public pie, and some of them in order to obtain a hearing before the public for their impracticable and groundless fantasies: they thirst for the emotion of success and applause, of which we are remarkably generous. And the reason why we give them this success is to make use of the high conceit of themselves to which it gives birth, for that insensibly disposes them to assimilate our suggestions without being on their guard against them in the fullness of their confidence that it is their own infallibility which is giving utterance to their own thoughts and that it is impossible for them to borrow those of others. . . . You cannot imagine to what extent the wisest of the goyim can be brought to a state of unconscious naivete in the presence of this condition of high conceit of themselves, and at the same time how easy it is to take the heart out of them by the slightest ill-success, though it be nothing more than the stoppage of the applause

they had, and to reduce them to a slavish submission for the sake of winning a renewal of success. . . . *By so much as ours disregard success if only they can carry through their plans, by so much the GOYIM are willing to sacrifice any plans only to have success.* This psychology of theirs materially facilitates for us the task of setting them in the required direction. These tigers in appearance have the souls of sheep and the wind blows freely through their heads. We have set them on the hobby-horse of an idea about the absorption of individuality by the symbolic unit of collectivism. . . . They have never yet and they never will have the sense to reflect that this hobby-horse is a manifest violation of the most important laws of nature, which has established from the very creation of the world one unit unlike another and precisely for the purpose of instituting individuality. . . .

If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the goyim is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success.

Execution of Masons, Liberalism

Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to ourselves, to the founders of this affair. *We execute masons in such wise that none save the brotherhood can ever have a suspicion of it, not even the victims themselves of our death sentence, they all die when required as if from a normal kind of illness.* . . . Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of masonry the very root of protest against our disposition. **While preaching liberalism to the goyim** we at the same time keep our own people and our agents in a state of unquestioning submission.

Under our influence the execution of the laws of the goyim has been reduced to a minimum. **The prestige of the law has been exploded by the liberal interpretations introduced into this sphere.** In the most important and fundamental affairs and questions judges decide as we dictate to them, see matters in the light wherewith we enfold them for the administration of the goyim, of course, through persons who are our tools though we do not appear to have anything in common with them—by newspaper opinion or by other means. . . . Even senators and the higher administration accept our counsels. The purely brute mind of the goyim is incapable of use for analysis and observation, and still more for the foreseeing whither a certain manner of setting a question may tend.

In this difference in capacity for thought between the goyim and ourselves may be clearly discerned the seal of our position on the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the goyim. Their eyes are open, but see nothing before them and do not invent (unless, perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

Election of Judges

Our legal staff will serve not beyond the age of 55, firstly because **old men more obstinately hold to prejudiced opinions, and are less capable of submitting to new directions**, and secondly because this will give us the possibility by this measure of securing elasticity in the changing of stair, which will thus the more easily bend under our pressure: he who wishes to keep his place will have to give blind obedience to deserve it. In general, our judges will be elected by us only from among those who thoroughly understand that the part they have to play is to punish and apply laws and not to dream about the manifestations of liberalism

at the expense of the educationary scheme of the State, as the goyim in these days imagine it to be. . . . This method of shuffling the staff will serve also to explode any collective solidarity of those in the same service and will bind all to the interests of the government upon which their fate will depend. The young generation of judges will be trained in certain views regarding the inadmissibility of any abuses that might disturb the established order of our subjects among themselves.

In these days the judges of the goyim create indulgences to every kind of crimes, not having a just understanding of their office, because the rulers of the present age in appointing judges to office take no care to inculcate in them a sense of duty and consciousness of the matter which is demanded of them. As a brute beast lets out its young in search of prey, so do the goyim give their subjects places of profit without thinking to make clear to them for what purpose such place was created. This is the reason why their governments are being ruined by their own forces through the acts of their own administration.

Protocol 16

Emasculation of Universities

In order to effect the destruction of all collective forces except ours we shall emasculate the first stage of collectivism—the universities, by re-educating them in a new direction. *Their officials and professors will be prepared for their business by detailed secret programmes of action from which they will not with immunity diverge not by one iota. They will be appointed with especial precaution, and will be so placed as to be wholly dependent upon the Government.*

Control of History

Classicism, as also any form of study of ancient history, in which there are more bad than good examples, we shall replace with the study of the programme of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the goyim. The study of practical life, of the obligations of order, of the relations of people one to another, of avoiding bad and selfish examples, which spread the infection of evil, and similar questions of an educative nature, will stand in the forefront of the teaching programme, which will be drawn up on a separate plan for each calling or state of life, in no wise generalizing the teaching. This treatment of the question has special importance.

No Independent Thought, Unthinking Submissive Brutes

In a word, knowing by the experience of many centuries that people live and are guided by ideas, that these ideas are imbibed by people only by the aid of education provided with equal success for all ages of growth, but of course by varying methods, we shall swallow up and confiscate to our own use the last scintilla of independence of thought, which we have for long past been directing towards subjects and ideas useful for us. The system of bridling thought is already at work in the so-called system of teaching by object lessons, the purpose of which is to turn the goyim into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them. . . . In France, one of our best agents, Bourgeois, has already made public a new programme of teaching by object lessons.

Protocol 17

Discredit the Priesthood, DESTRUCTION OF CHRISTIANITY

We have long past taken care to discredit the priesthood of the GOYIM, and thereby to ruin their mission on earth which in these days might still be a great hindrance to us. Day by day its influence on the peoples of the world is falling lower. *Freedom of conscience* has been declared everywhere, *so that now only years divide us from the moment of the complete wrecking of that Christian religion*: as to other religions we shall have still less difficulty in dealing with them, but it would be premature to speak of this now. We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress.

When the time comes finally to destroy the papal court the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it, we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

The King of the Jews will be the real Pope of the Universe, the patriarch of an international Church.

But, *in the meantime*, while we are re-educating youth in new traditional religions and afterwards in ours, *we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism*. . . . In general, then, our contemporary press will continue to convict State affairs, religions, incapacities of the goyim, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe. . . .

Protocol 19

The Press, History

We have done our best, and I hope we have succeeded, to obtain that the goyim should not arrive at this means of contending with sedition. It was for this reason that through the Press and in speeches, indirectly—in cleverly compiled schoolbooks on history, we have advertised the martyrdom alleged to have been accepted by sedition-mongers for the idea of the commonweal. This advertisement has increased the contingent of liberals and has brought thousands of goyim into the ranks of our livestock cattle.

Protocol 20

Economic Crisis, Removal of Gold

Economic crises have been produced by us for the goyim by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals. . . . The concentration of industry in the hands of capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also of the States. . . .

The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of money ought to correspond with the growth of population and thereby children also must absolutely be reckoned

as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.

Funeral Oration: The Fatal Discourse of Rabbi Reichhorn

[In its issue of 21 October, 1920 (No. 195) La Vieille France published an extremely important Russian document in which the following passage occurs:

“There is a striking analogy between the Protocols of the Elders of Zion and the discourse of the Rabbi Reichhorn, pronounced in Prague in 1869 over the tomb of the Grand Rabbi Simeon-ben-Ihuda and published by Readcliffe, who paid with his life for the divulgation; Sonol, who had taken Readcliffe to hear Reichhorn, was killed in a duel some time afterwards. The general ideas formulated by the Rabbi are found fully developed in the Protocols.”

[In its issue of 10 March, 1921 (No. 214) La Vieille France gives the version of this funeral oration which was published in La Russie Juive. It is perfectly clear that the funeral oration and the Protocols of the Elders of Zion come from one and the same mint. Both are prophetic; and the power which made the prophecies has been able to bring about their fulfillment. This oration is so important that we append to it an account of the fulfillment of each of the sections. There can no longer be any doubt as to whose is the power which is disturbing the world, creating World Unrest, and at the same time reaping all the profits. Jewry is enslaving all Christian peoples of the earth. There IS a Jew World Plot and it now stands finally and completely unmasked.]

1. Every hundred years, We, the Sages of Israel, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, **and our conquests over the enemy— Christianity.**
2. This year, united over the tomb of our reverend Simeon-ben-Ihuda, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.
3. GOLD always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidise all State loans, and thereafter hold the states at our mercy.
4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands.
5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders.
6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, always united, and always devoted to our Cause.
7. We shall force the Christians into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.

8. The possession of the land has always brought influence and power. In the name of social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.

9. Let us try to replace the circulation of gold with paper money; our chests will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positions.

10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating Christian capitalism. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that our profits will be greater still.

11. In this manner we shall prepare Revolutions which the Christians will make themselves and of which we shall reap the fruit.

12. By our mockeries and our attacks upon them we shall make their priests ridiculous then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their souls. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

13. We have already established our own men in all important positions. We must endeavor to provide the Goyim with lawyers and doctors; the lawyers are au courant with all interests; doctors once in the house, become confessors and directors of consciences

14. But above all let us monopolize Education. By this means we spread ideas that are useful to us, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. We shall furnish them with all the money their folly demands, and so shall keep them in leash.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry Goyim they will be no less useful, for the children of a Jewish mother are ours. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted have been working to open up a path to power. They are hitting the mark. They control the economic life of the accursed Christians; their influence preponderates over politics and over manners.

19. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christianity will definitely enslave the Christians to Us. Thus will be accomplished the promise of God made to His People.

Concluding Passage from the Epilogue of Nilus (Edition of 1905)

According to the testament of Montefiore, Zion is not sparing, either of money or of any other means, to achieve its ends. In our day, all the governments of the entire world are consciously or unconsciously submissive to the commands of this great Supergovernment of

Zion, because all the bonds and securities are in its hands; for all countries are indebted to the Jews for sums which they will never be able to pay. All affairs – industry, commerce, and diplomacy – are in the hands of Zion. It is by means of its capital loans that it has enslaved all nations. By keeping education on purely materialistic lines, the Jews have loaded the Gentiles with heavy chains with which they have harnessed them to their “Supergovernment”.

The end of national liberty is near, therefore personal freedom is approaching its close; for true liberty cannot exist where Zion uses the lever of its gold to rule the masses and dominate the most respectable and enlightened class of society.

“He that hath ears to hear, let him hear”.

It is nearly four years since the *Protocols of the Elders of Zion* came into my possession. Only God knows what efforts I have made to bring them to general notice – in vain – and even to warn those in power, by disclosing the causes of the storm about to break on apathetic Russia who seems, in her misfortune, to have lost all notion of what is going on around her.

And it is only now when I fear it may be too late, that I have succeeded in publishing my work, hoping to put on their guard those who still have ears to hear and eyes to see.

One can no longer doubt it, the triumphant reign of the King of Israel rises over our degenerate world as that of Satan, with his power and his terrors; the King born of the blood of Zion – the Antichrist – is about to mount the throne of universal empire.

Events are precipitated in the world at a terrifying speed: quarrels, wars, rumors, famines, epidemics, earthquakes – everything which even yesterday was impossible, today is an accomplished fact. One would think that the days pass so rapidly to advance the cause of the chosen people. Space does not allow us to enter into the details of world history with regard to the disclosed “mysteries of iniquity”, to prove from history the influence which the “Wise Men of Zion” have exercised through universal misfortunes by foretelling the certain and already near future of humanity, or by raising the curtain for the last act of the world’s tragedy.

Only the light of Christ and of his Holy Church Universal can fathom the abyss of Satan and disclose the extent of its wickedness.

I feel in my heart that the hour has already struck when there should urgently be convoked an Eighth Oecumenical Council which would unite the pastor and representatives of all Christendom. Secular quarrels and schisms would all be forgotten in the imminent need of preparing against the coming of the Antichrist.

The Frankfurt School

Plan to subvert Western culture and rot it within (Germany 1923)

Stated Goals:

1. The creation of racism offenses
2. Continual change to create confusion
3. The teaching of sex and homosexuality to children
4. The undermining of schools’ and teachers’ authority
5. Huge immigration to destroy identity
6. The promotion of excessive drinking
7. Emptying of churches
8. An unreliable legal system with bias against victims of crime
9. Dependency on the state or state benefits
10. Control and dumbing down of media
11. Encouraging the breakdown of the family

Main Ideas:

- Exploit Freud's idea of "pansexualism" – the search for pleasure, the exploitation of the differences between the sexes, the overthrowing of traditional relationships between men and women.
- Attack the authority of the father, deny the specific roles of father and mother, wrest away from families their rights as primary educators of their children.
- Abolish differences in the education of boys and girls
- Abolish all forms of male dominance – hence the presence of women in the armed forces.
- Declare women to be an "oppressed class" and men as "oppressors".
- Long term goal: "we will make the West so corrupt that it stinks".
- There are two types of revolution: political and cultural. Cultural revolution demolishes from within.

Communism

Current Communist Goals from Congressional Record 1/10/1963. These are the most relevant of the original 45 goals.

11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.)

12. Resist any attempt to outlaw the Communist Party.

15. Capture one or both of the political parties in the United States.

17. Get control of the schools. Use them as transmission belts for socialism and current Communist Propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

18. Gain control of all student newspapers.

19. Use student riots to foment public protests against programs or organizations which are under Communist attack.

20. Infiltrate the press. Get control of book-review assignments, editorial writing, and policymaking positions.

21. Gain control of key positions in radio, TV, and motion pictures.

22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."

23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."

24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

26. Present homosexuality, degeneracy and promiscuity as "normal, natural, and healthy."

27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of “separation of church and state.” (Remember these goals were published to expose them in 1958) Coincidence?

29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.

31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the “big picture.” Give more emphasis to Russian history since the Communists took over.

32. Support any socialist movement to give centralized control over any part of the culture – education, social agencies, welfare programs, mental health clinics, etc.

33. Eliminate all laws or procedures, which interfere with the operation of the Communist apparatus.

35. Discredit and eventually dismantle the FBI.

36. Infiltrate and gain control of more unions.

37. Infiltrate and gain control of big business.

38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand [or treat].

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use “united force” to solve economic, political or social problems.

The Secret Covenant

- An illusion it will be, so large, so vast it will escape their perception.
- Those who will see it will be thought of as insane.
- We will create separate fronts to prevent them from seeing the connection between us.
- We will behave as if we are not connected to keep the illusion alive.
- Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.
- We will always stand above the relative field of their experience for we know the secrets of the absolute.
- We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks.
- We will keep their lifespan short and their minds weak while pretending to do the opposite.
- We will use our knowledge of science and technology in subtle ways so they will never see what is happening.
- We will use soft metals, aging accelerators and sedatives in food and water, also in the air.
- They will be blanketed by poisons everywhere they turn.
- The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

- The poisons will be absorbed through their skin and mouths, they will destroy their minds and reproductive systems.
- From all this, their children will be born dead, and we will conceal this information.
- The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.
- We must be ingenious in dispensing the poisons for they can see far.
- We will teach them that the poisons are good, with fun images and musical tones.
- Those they look up to will help. We will enlist them to push our poisons.
- They will see our products being used in film and will grow accustomed to them and will never know their true effect.
- When they give birth we will inject poisons into the blood of their children and convince them it's for their help.
- We will start early on, when their minds are young, we will target their children with what children love most, sweet things.
- When their teeth decay we will fill them with metals that will kill their mind and steal their future.
- When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases which we will create yet more medicine.
- We will render them docile and weak before us by our power.
- They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.
- We will focus their attention toward money and material goods so that the many never connect with their inner self. We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all.
- Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives. We will use fear as our weapon.
- We will establish their governments and establish opposites within. We will own both sides.
- We will always hide our objective but carry out our plan.
- They will perform the labor for us and we shall prosper from their toil.
- Our families will never mix with theirs. Our blood must be pure always, for it is the way.
- We will make them kill each other when it suits us.
- We will keep them separated from the oneness by dogma and religion.
- We will control all aspects of their lives and tell them what to think and how.
- We will guide them kindly and gently letting them think they are guiding themselves.
- We will foment animosity between them through our factions.
- When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.
- We will make them rip each other's hearts apart and kill their own children.
- We will accomplish this by using hate as our ally, anger as our friend.
- The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers. They will be busy killing each other.
- They will bathe in their own blood and kill their neighbors for as long as we see fit.
- We will benefit greatly from this, for they will not see us, for they cannot see us.
- We will continue to prosper from their wars and their deaths.

- We shall repeat this over and over until our ultimate goal is accomplished.
- We will continue to make them live in fear and anger through images and sounds.
- We will use all the tools we have to accomplish this.
- The tools will be provided by their labor.
- We will make them hate themselves and their neighbors.
- We will always hide the divine truth from them, that we are all one. This they must never know!
- They must never know that color is an illusion, they must always think they are not equal.
- We will take over their land, resources and wealth to exercise total control over them.
- We will establish a money system that will imprison them forever, keeping them and their children in debt.
- When they shall ban together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.
- We will use our media to control the flow of information and their sentiment in our favor.
- When they shall rise up against us we will crush them like insects, for they are less than that.
- They will be helpless to do anything for they will have no weapons.
- We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.
- The recruits will be called “initiates” and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us never knowing the truth. They must never learn this truth for they will turn against us.
- For their work they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and travel the stars.
- They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.
- The truth will be hidden in their face, so close they will not be able to focus on it until it’s too late.
- Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves.
- When all is in place, the reality we will have created for them will own them. This reality will be their prison. They will live in self-delusion.
- When our goal is accomplished a new era of domination will begin.
- Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.
- But if they ever find out that together they can vanquish us, they will take action.
- They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.
- This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.
- This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.
- This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of for if it is, the consciousness it will spawn will release the fury of the

PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity of itself.

Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. That’s why my KGB instructors specifically made a point, never bother with leftists. Forget about these **political prostitutes**... Your leftists in the United States – all these professors and all these beautiful civil rights defenders – they are instrumental in the process of the

subversion, only to destabilize a nation. When their job is completed, they are not needed anymore. They know too much. Some of them... when they see that Marxist Leninist has come to power obviously they get offended. They think that they will come to power. That will never happen of course. **They will be lined up against the wall and shot.**" - Yuri Bezmenov 1984

"In my study of communist societies, I came to the conclusion that the purpose of communist propaganda was not to persuade or convince, not to inform, but to humiliate; and therefore, the less it corresponded to reality the better. When people are forced to remain silent when they are being told the most obvious lies, or even worse when they are forced to repeat the lies themselves, they lose once and for all their sense of probity. To assent to obvious lies is...in some small way to become evil oneself. One's standing to resist anything is thus eroded, and even destroyed. A society of emasculated liars is easy to control. I think if you examine political correctness, it has the same effect and is intended to." – Theodore Dalrymple

"Controlling the world's sources of news, Jews can always prepare the minds of people for their next move. The greatest exposure yet to be made is the way that the news is manufactured and the way in which the mind of whole nations is molded for a purpose. When the powerful Jew is at last traced and his hand revealed, then comes the ready cry of persecution and it echoes through the world press. The real causes of the persecution (which is the oppression of the people by the financial practices of the Jews) are never given publicity." – Henry Ford

“I have never been so upset by a poll in my life. Only 22% of Americans now believe “the movie and television industries are pretty much run by Jews,” down from nearly 50% in 1964. The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, it just shows how dumb America has gotten. Jews totally run Hollywood.” – Joel Stein, from the LA Times article “Who runs Hollywood? C’m on” published Dec 19, 2008

“You must understand, the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators.” – Alexandr Solzhenitsyn

“We cannot state that all Jews are Bolsheviks. But: without Jews there would have never been Bolshevism. For a Jew nothing is more insulting than the truth. The blood maddened Jewish terrorists had murdered sixty-six million in Russia from 1918 to 1957.” – Alexandr Solzhenitsyn

Note: One of the leaders of the 1917 Russian Revolution was Leon Trotsky, birth name Lev Bronstein (Jewish). This man was the first to use the word racist, which is a term that is used to justify the destruction of European peoples and weaken their self-protective instincts and identity as a tribe. It is applied only to Europeans. It is used as a method of control when any European dares to see anything from his own point of view or try to protect himself or his people. Political correctness, or wrongthink, is just another form of thought control. They have created many different labels over the years to stifle dissent, such as: conspiracy theory, anti-Semite, Nazi, sexism, misogyny, bigot, etc...

“The truth about communism frightens the Jews the most. They understand this weakness in their plan. So, in all those countries locked behind the Iron Curtain, they rapidly, after 1918,

imposed the death penalty for what they call the crime of anti-Semitism, meaning, the mere mention of the word Jew in connection with the communist conspiracy. This is the “crime” for which there is no pardon or mitigation of sentence. In the other half of the world, in the so-called democracies, if there is no death sentence yet for this crime of telling the truth, the terrorism used to punish it is just as ruthless. Whoever has the gall to spell the word: JEW, is ostracized, financially crushed, economically crushed, muckraked and made infamous, an object of contempt, and, if circumstances are conducive he is plunged into captivity without trial or sentence, because the crime of telling the truth is not yet on our statute books.” – Adrien Arcand writing in *The Universal Republic* (1950)

“In the U.S.S.R. anti-Semitism is punishable with the utmost severity of the law as a phenomenon deeply hostile to the Soviet system. Under U.S.S.R. law active anti-Semites are liable to the death penalty.” – Joseph Stalin

“Jews were deeply involved in Communist revolutions in Europe, and primarily in Russia, often in leading positions. This is understandable given their demographic location, extensive education and suffering over the years. However, how could we account for the fact that they also played a role in Communist revolutions in Asia, and especially China?” – Abstract from “Combining Contradictions: Jewish Contributions to the Chinese Revolution” by Yitzhak Shichor, University of Haifa and Hebrew University of Jerusalem

The following is an excerpt from a 1901 Babylonian Talmud describing how they have rewritten our history:

“All of the literature current among the masses was carefully scanned and revised. The ethical code was reinforced, and wherever necessary purged of objectionable matter. This censorship was carried to such an extent that it was attempted to reject even Proverbs, Ecclesiastes, and Ezekiel as undesirable; and it was only with great difficulty that those in authority were prevailed upon to let them remain. The records of ancestry, however, tracing the descent of every existing family, which were the pride of the people, as well as all works treating of medical science and the art of healing, were buried and hidden beyond recovery. **Even the Apocrypha were eliminated from the Holy Writ and declared ordinary literature,** and many other writings unknown to us even in this day, as well as all secret scripts, were thoroughly revised and made adaptable to the existing times and circumstances. All this, and more, was done with the sole purpose of preserving the integrity of the Jewish race and preventing its absorption by other nations.”

“Strange as it may appear, America abounds in antiquities, so extensive, so beautiful and majestic, as to rival those of Thebes or Nineveh. Ruins of ancient cities, of immense extent; fortifications, mounds and pyramids; temples with walls built of hewn stone showing a refined taste in architecture – and adorned with human figures, beautifully executed; large alters ornamented with hieroglyphics, probably giving a record of those who reared them, but which no man has been able to decipher; remains of ancient palaces, with beautiful specimens of sculpture and painting, with many other marks of ancient greatness, prove to us that this is not a new world, but that a powerful empire existed at a very remote period of time, teeming with a population highly skilled in arts, and in a state of civilization far beyond anything we have been led to conceive of the aborigines, previous to the discovery of the continent by Europeans.” –

Raftsman's Journal Vol. 4 – No.20, Clearfield, PA, Wednesday, January 6, 1858. From section titled "Antiquities in America"

Jewish Rabbi Joshua Stanton Regarding Amalek:

"In America today, we have white supremacy. In the Torah, we had Amalek. **Amalek is seen as the eternal enemy of our people**, whose members found strength by making us suffer. Therefore, when the Lord your God grants you safety from all your enemies around you in the land that the Lord your God is giving to you as a hereditary portion, **you shall blot out the memory of Amalek from under heaven**. Do not forget. **Our rabbinic sages parse these sentences and derive two distinct meanings. Blotting out the memory of Amalek is a military command, literally, to destroy Amalek.** Now, facing today's Amalek, we are reminded that the Torah calls us not just to escape, but to extirpate Amalek. We are commanded to do real and literal battle against it. That means coming off the bench in the fight against white supremacy, means putting our reputations and our money and our physical bodies on the line, **but also so that we are ready to answer people with radically destructive and incoherent versions of history.** So that we can counter white supremacists, so that we can counter Amalek and blot them out. **By retaining on our lips in our records their history. By being bearers of history, we can help guide the future.** Blotting out Amalek need not merely be about military conquest. **Equally important is ideological victory.** And nothing could more readily counter white supremacy than a Jewish community proudly helping our Muslim neighbors. There is nothing that undermines a white supremacist worldview more than **diverse communities getting along and building together towards the future.**"

In this speech, the Jews admit that their rabbinic sages are deriving their own meanings from the Torah, regarding an event that already happened (laws/commandments of men). They refer to the white race, or white supremacy, as Amalek, and that it is an active military command to destroy Amalek, or the white race. They also admit to being the bearers of our history, which is radically destructive and incoherent and is used to help guide the future, that is, the future they want (Jewish Supremacy/World Domination).

"You white people are on an endangered list. And unlike, say, that bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around, and that's a good thing..." – Tim Wise, Jewish Activist

"The White race is the cancer of human history; it is the white race and it alone – its ideologies and inventions – which eradicates autonomous civilizations wherever it spreads, which has upset the ecological balance of the planet, which now threatens the very existence of life itself." – Susan Sontag

The following is from a video compilation of multiple different Jewish rabbis, including Rabbi Tovia Singer, describing how they view Christianity and how it relates to their prophecies. Notice how they project their true identity onto their enemies:

"Edom is Christendom. It is the implacable enemy of the Jewish people."

"Christianity, of course, ultimately became western civilization. So Esau today is western civilization, because western civilization is basically Christian. Therefore that is considered to be Esau."

“Esau, who became Edom, who became the Roman Empire, which metamorphosed into the Christian empire, which became Christian civilization, which is now represented by the United States of America will suffer a crushing humiliating defeat.”

“We have whole books devoted to the destruction of Edom at the end of days, this is the last kingdom.”

“The west is Rome. According to the simple meaning, you know, Europe and America are really one entity. But we know one thing right, that when it comes to the classic Rome, which is Europe, they’re finished.”

“Christianity must be utterly destroyed, and that is how the full force of the messianic age will arrive.”

“I mean America is strong, but not when they are going against three or four armies.”

“The messiah (antichrist) will come when Edom, Europe, Christianity has totally fallen. So I ask you: is it good news that Muslims are coming to Europe? It’s excellent news! It means the coming of the messiah! Excellent news!” – Rabbi Rav Tuitou, 2013

“Jews should rejoice at the fact that Christian Europe is losing its identity as a punishment for what it did to us for the hundreds of years we were in exile there... And now, Europe is losing its identity in favor of another people and another religion... Even if we are in a major war with the region’s Arabs over the Land of Israel, Islam is still much better as a gentile culture than Christianity.” – Rabbi Baruch Efrati, 2012

“There is no place in modern Europe for ethnically pure states. That’s a 19th century idea and we are trying to transition into the 21st century, and we are going to do it with multi-ethnic states.” – Wesley Clark

“Historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or ‘other’ ... Therefore, by definition, a society where the stranger is welcome is good for the Jews, although they have not always appreciated this link ... The future of European Jewry is dependent on our ability to shape a multicultural, pluralistic and diverse society.” – Goran Rosenberg, Jewish Author and Journalist

“I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the center of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role. But without that leading role and without that transformation, Europe will not survive.” – Barbara L. Spectre

From “A Racial Plan for the Twentieth Century” by Israel Cohen in 1912:

“We must realize that our party’s most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor

to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause.”

“The first two centuries of the Black-Jewish encounter in America were highlighted by a fairly extensive record of Jewish slave-holding. Indeed, during the colonial period, in the small Jewish community of the time, almost every Jewish household of any form, North or South, possessed at least one slave.” – Dr. Abraham Peck, of the American Jewish Archives

“The ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains.” – Dr. Seymour Liebman, “The Secret Relationship Between Blacks & Jews, Vol. 1”

“Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French, British, or Dutch, Jewish merchants frequently dominated.” – Rabbi Marc Lee Raphael

“Besides their important position in the sugar industry and in tax farming, they dominated the slave trade... The buyers who appeared at the auctions were almost always Jews... If it happened that the date of such an auction fell on a Jewish holiday the auction had to be postponed.” – Jewish Scholar Arnold Wiznitzer

“The white woman must cohabit with members of the dark races, white men with black women. Thus the white race will disappear, for mixing the dark with white means the end of the white man, and our most dangerous enemy will become only a memory.” – Jewish Rabbi Nahum Rabinovitch

“The separation of the races is not a disease of colored people, but a disease of white people. I do not intend to be quiet about it. There is... a somber point in the social outlook of Americans... Their sense of equality and human dignity is mainly limited to men of white skins. Even among these there are prejudices of which I as a Jew am dearly conscious; but they are unimportant in comparison with the attitude of ‘Whites’ toward their fellow-citizens of darker complexion, particularly toward Negroes... The more I feel as American, the more this situation pains me. I can escape the feeling of complicity in it only by speaking out.” – Albert Einstein, May 3rd, 1946, Lincoln University, Pennsylvania

“But let’s not forget the Jew. Anybody that gives even a just criticism of the Jew is instantly labeled anti-Semite. The Jew cries louder than anybody else if anybody criticizes him. You can tell the truth about any minority in America, but make a true observation about the Jew, and if it doesn’t pat him on the back, then he uses his grip on the news media to label you anti-Semite.” – Malcolm X, 1963

Democracy Now Interview (2002) with Shulamit Aloni, former Israeli cabinet member when questioned about anti-Semitism:

“It’s a trick, we always use it. When, from Europe, if someone is criticizing Israel, we bring up the Holocaust. When, in this country (USA), people are criticizing Israel then they are anti-Semitic... And the organization is strong and has a lot of money and the ties between Israel and the American Jewish establishment are very strong and they are strong in this country...”

“If it were not for the accident of my birth, I would be anti-Semitic. ... any people that has been persecuted for two thousand years must be doing something wrong.” – Henry Kissinger

“We are unable to favor this movement. We cannot prevent the Jews from going to Jerusalem – but we could never sanction it. The ground of Jerusalem, if it were not always sacred, has been sanctified by the life of Jesus Christ. As the head of the Church, I cannot answer you otherwise. The Jews have not recognized our Lord, therefore we cannot recognize the Jewish people. And so if you come to Palestine and settle your people there, we will be ready with churches and priests to baptize all of you.” – St. Pius X to Theodor Herzl, 1904

“All of the other people have committed crimes, the Jews are the only ones who have boasted about committing them. They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the least bit surprised if these people would not someday become deadly to the human race.” – Voltaire, 1771

“Let me issue and control a nation’s money and I care not who writes the laws.” – Edomite Patriarch Mayer Amschel Rothschild (Central banking is the apex of the pyramid of control that has enabled them to take control of the world.)

“The Central Bank is an institution of the most deadly hostility existing against the principles and form of our Constitution.” – Thomas Jefferson

“The bold effort the present (central) bank had made to control the government... are but premonitions of the fate that await the American people should they be deluded into a perpetuation of this institution or the establishment of another like it.” – Andrew Jackson

“You are a den of vipers. I intend to rout you out and by the Eternal God I will rout you out. If the people only understood the rank injustice of our money and banking system, there would be a revolution before morning.” – Andrew Jackson

“Our power has been created through the manipulation of the national monetary system... The Federal Reserve system fitted our plan nicely since it is owned by us, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes... We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American Public as a cat toys with a mouse...” – Honest Jew Harold Wallace Rosenthal, Assassinated 30 days after his confessions. They put “In God We Trust” on our money, which should be a red flag.

“Isolate the fifty richest Jews and all wars will cease.” – Henry Ford

“Military men are just dumb stupid animals to be used as pawns in foreign policy.” – Henry Kissinger

“There is nothing that the International Jew fears so much as the truth, or any hint of the truth about himself or his plans.” – Henry Ford

“My basic thesis is that the Jews are a criminal people, and the Jews completely control the United States, and the Jews are using the United States as a vehicle to take over the world.” – Bobby Fischer (187 IQ World Chess Champion)

“An even greater difference exists in regard to the soul. Two contrary types of soul exist; a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness.” – Menachem Mendel Schneerson

“Our race is the master race. We are divine Gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our Earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet, and serve us as our slaves.” – Menachem Begin (Israeli Prime Minister, 1977-1983)

“Providence has given to our people the choice of their rulers, and it is the duty, as well as the privilege and interest of our Christian nation to select and prefer Christians for their rulers.” – John Jay

“No human society has ever been able to maintain both order and freedom, both cohesiveness and liberty apart from the moral precepts of the Christian religion applied and accepted by all the classes. Should our republic ever forget this fundamental precept of governance, men are certain to shed their responsibilities for licentiousness and this great experiment will then surely be doomed.” – John Jay (The USA is a “Great Masonic(Satanic) Experiment)

“There is nothing I dread so much as the division of the republic into two great parties, each arranged under its leader, and concerting measures in opposition to each other. This, in my humble apprehension, is to be dreaded as the greatest political evil under our constitution.” – John Adams

“It is our true policy to steer clear of entangling alliances with any portion of the foreign world.” – George Washington

“Peace, commerce and honest friendship with all nations; entangling alliances with none.” – Thomas Jefferson

“If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn

you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves.” – Benjamin Franklin, Philadelphia Constitutional Convention of 1787

“The sole purpose of non-Jews is to serve Jews... They will work, they will plow, they will reap. We will sit like an effendi and eat. That is why Gentiles were created.” –Rabbi Ovadia Yosef (800,000 Jews attended his funeral in 2013)

“America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world’s biggest welfare state that we will create and control... This is what we do to countries that we hate. We destroy them very slowly.” – Benjamin Netanyahu, 1990

“Gentlemen, I have come this morning to the inexcusable conclusion that we have fought on the wrong side. This entire war we should have fought with the fascists against the communists and not the other way around. I fear that perhaps in fifty years America will pay a dear price and become a land of corruption and degenerate morals.” – General Patton (Patton Papers)

“There is a very apparent Semitic influence in the press. They are trying to do two things: first, implement Communism and second, see that all businessmen of German ancestry and non-Jewish antecedents are thrown out of their jobs. They have utterly lost the Anglo-Saxon conception of justice and feel that a man can be kicked out because somebody else says he is a Nazi. They were evidently quite shocked when I told them I would kick nobody out without the successful proof of guilt before a court of law.” – General Patton (Patton Papers)

“Berlin gave me the blues. We have destroyed what could have been a good race, and we are about to replace them with Mongolian savages. And all Europe will be communist. It’s said that for the first week after they took it (Berlin), all women who ran were shot and those who did not were raped. I could have taken it (instead of the Soviets) had I been allowed.” – General Patton (Patton Papers)

“I believe now that Hitler and the German people did not want war. But we declared war on Germany, intent on destroying it, in accordance with our principle of balance of power, and we were encouraged by the (Jews) around Roosevelt. We ignored Hitler’s pleadings not to enter into war. Now we are forced to realize that Hitler was right.” – Sir Hartley Shawcross, British Attorney General, Senior Nuremberg Prosecutor – March 16th, 1984

“[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitler’s declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius.” – Rabbi Harry Waton, “A Program for the Jews and An Answer to All Anti-Semites; A Program for Humanity” (1939)

“The unforgivable crime of Germany, before the second world war, was her attempt to extricate its economic power from the world’s trading system and create its own exchange mechanism

which would deny world finance its opportunity to profit.” – Winston Churchill, to Lord Robert Boothby, quoted in the Foreword to the 2nd edition of *Propaganda in the Next War*, by Sidney Rogerson

“Poland wants war with Germany and Germany will not be able to avoid it even if she wants to.” – Polish Marshal Rydz-Smigly as reported in the *Daily Mail*, August 6th, 1939

“Whilst large sections of the German nation were struggling for the preservation of their race, we Jews filled the streets of Germany with our vociferations. We supplied the press with articles on the subject of its Christmas and Easter and administered to its religious beliefs in the manner we considered suitable. We ridiculed the highest ideals of the German nation and profaned the matters which it holds sacred.” – Dr. Manfred Reifer, in the German Jewish magazine *Czernowitzer Allgemeine Zeitung*, September 1933

Luigi Barzini, in his social memoir *The Europeans*, describes the saturnalian scene in the Tingel-Tangels or sleazy bordellos of sex-crazed Berlin in the 1920’s, the Golden Age of the Jews (Germany before the rise of Hitler):

“I saw pimps offering anything to anybody: little boys, little girls, robust young men, libidinous women, animals. The story went the rounds that a male goose whose neck you cut at just the right ecstatic moment would give you the most delicious frisson of all – as it allowed you to enjoy sodomy, bestiality, homosexuality, necrophilia and sadism at one stroke. Gastronomy too, as one could eat the goose afterwards.”

“Atrocity propaganda is how we won the war. And we’re only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final. Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again – those indestructible weeds of historical truth.” – Sefton Delmer (1904-1979), former British Chief of ‘Black propaganda’: Said after the German surrender in 1945, in a conversation with the German professor of International Law, Dr. Friedrich Grimm

From the Charter and Judgment of the Nuremberg Tribunal (No facts or evidence required):
Article 19: The Tribunal shall not be bound by technical rules of evidence. It shall adopt and apply to the greatest possible extent expeditious and nontechnical procedure, and shall admit any evidence which it deems to be of probative value.

Article 21: The Tribunal shall not require proof of facts of common knowledge but shall take judicial notice thereof. It shall also take judicial notice of official governmental documents and reports of the United Nations, including the acts and documents of the committees set up in the various allied countries for the investigation of war crimes, and of record and finding of military or other Tribunals of any of the United Nations.

“Out of 3,000 people employed on the staff at the Nuremberg Courts, 2,400 were Jews.” – Louis Marschalko, Hungarian Journalist “The World Conquerors” (1958)

“The Allied Committee of Inquiry has to date proven that no poison gas was ever used to kill prisoners in the following concentration camps... Bergen-Belsen, Buchenwald, Dachau, Flossenbürg, Gross-Rosen, Mauthausen, and satellite camps... Natzweiler, Neuengamme, Niederhagen(Wewelsberg), Ravensbrück, Sachsenhausen, Stutthof, Theresienstadt. In all cases where gassings were alleged, it COULD BE PROVEN THAT TORTURE WAS USED TO EXTRACT CONFESSIONS, AND WITNESSES HAVE LIED. Any former inmate who during their debriefing continues to allege that Poison gas was used to murder people – in particular Jews – are to be reported to this office, and if they insist on lying further, they are to be charged with perjury.” – Major Miller, Allied Military Police Headquarters, Vienna 1948, Memo Nr: 31/48

“Holocaust distortions – whether outright denial or inversions such as Abbas’s – are not just bad history, they are anti-Semitic conspiracy theories unto themselves. The Holocaust, whether real or a hoax, is seen by distortionists as part of a nefarious Jewish plot.” – Jonathan Greenblatt, Anti-Defamation League leader

“It is essential that the sufferings of Jews become worse. This will assist in realization of our plans. I have an excellent plan. I shall induce anti-Semites to liquidate Jewish wealth. The anti-Semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-Semites shall be our best friends.” – Theodor Herzl Diaries

“We executed orders very well, so I assure you if there had been an order to kill them all (Jews), there would be none left in Europe. Instead, there are millions of survivors. We would not have used an insecticide to do it either; Zyklon B was a fumigant that all nations used to kill lice, which cause typhus, which killed millions after the first war. The Americans called it DDT, so the Jews expect us to believe DDT was used to gas them ... The Allies destroyed rail lines, bridges, roads, and airports so that no supplies could get to German cities or the camps ... The prisoners got sick, withered away, and died, many times right when the Allies entered the camps. Many died even while under allied care, it took weeks to stop the outbreaks, and thousands of prisoners died. The Allies caused these deaths, although not intentionally. It was just easy to blame a policy of extermination instead of telling the truth.” – General Otto Ernst Remer, 1987

The following are parts of different speeches from Adolf Hitler:

Yes, Germany was back then a democracy before us and we’ve been plundered and squeezed dry... No... What does democracy or authoritarian state mean for those international hyenas? They don’t care at all! They are only interested in one thing. Are you willing to be plundered? Yes or no? Are you stupid enough to keep quiet in the process? Yes or no? And, when a democracy is stupid enough not to stand up, then it is good! But when an authoritarian state declares: “You do not plunder our people any longer... neither from the inside or outside”. Then it is bad...

In reality, money rules in these countries. They talk about press freedom when in fact all these newspapers have one owner and the owner is, in any case, the sponsor. This press then shapes public opinion. These political parties don’t have any differences at all like before with

us. You already know the old political parties, they were all the same. Then people must think that especially in these countries of freedom and wealth... there should exist a very comfortable life for its people, but the opposite is the case.

In these countries, in the so-called “democracies” the people is by no means the main focus of attention. What really matters is the existence of this group of “democracy makers”, that is, the existence of a few hundred giant capitalists who own all the factories and shares and who, ultimately, lead the people. They are not interested at all in the great mass of people. They are the only ones who can be addressed as international elements because they conduct their business everywhere. It is a small, rootless, international clique that is turning the people against each other that does not want them to have peace. They can suppress us! They can kill us, if you like! But we will not capitulate! Our German people, hail victory!

These Jews used to laugh about it, they thought it was a joke. They are not laughing anymore. Today they realize the gravity of the situation. It was a struggle especially against the people who seemed to have omnipotent power in our nation, the struggle against the Jews. A satanic power had taken over our whole country that had been able to grip key positions of our intellectual and spiritual life, but also of the political and economic life. And from these key-positions they were able to control and monitor the whole nation. This power had, at the same time the influence to persecute even with the law those who fought against this power and who were willing to provide resistance in opposition to the advance of it.

The almighty Jewry declared, thus, war on us. And what have we achieved in these years! Until 1939 the envy grew in the same way... The same men who back then got Germany into war. The “Mr. Churchill” started immediately to agitate, the “Mr. Eden”, and then of course the Jews, with Hore Belisha at the forefront. The smear campaign began year after year... They said: “Yes, he is arming himself”. Yes, I’ve always done that. They also asked me before: Why do you have then the SA... if you want peace? Why did you create the SS? When, however, the only thing you want is fraternity? Because there are people who don’t want it! And I wanted to show them that I was prepared too for the other case.

The most precious possession you have in the world... is your own people! And for this people... and for the sake of this people... We will struggle and fight! And never slacken! And never tire! And never lose courage! And never despair!

We date from the First of January, 1601. This era is called the Era of Man (E.M.), to distinguish it from the theological epoch that preceded it. In that epoch the earth was supposed to be flat, the sun was its attendant light revolving about it. Above was Heaven where God ruled supreme over all potentates and powers; on earth ruled the Pope as the vicegerent of God; below was the kingdom of the Devil, Hell. So taught the Bible. Then came the New Astronomy, the astronomy of Copernicus, Galileo and Bruno. It demonstrated that the earth is a globe revolving about the sun; the stars are worlds and suns; that there is no “up” and “down” in space. Vanished the old heaven, vanished the old hell; the earth became the home of man. Bruno sealed his devotion to the new truth with his life on the 17th day of February, 1600. During the 17th century Grotius wrote the first work upon international law. This was the herald of the Arbitration which is to supplant war in the settlement of national differences.

Carlyle says: “Tell me what a man thinks of this universe, and I will tell you what his religion is.” When the modern Cosmogony came, the Bible and the Church, as Infallible Oracles, had to go, for they had taught that regarding the universe which was now shown to be untrue in almost every particular. So we take the beginning of the 17th century as an appropriate and a convenient starting point from which to date the Era of Man. – From “Lucifer. The Light-Bearer.” Periodical published 1883-1907.

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion... We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, **and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. “It is an honor to be here with the first Jewish president of the United States... and if he isn’t, he should be.” – Mark Levin with Donald Trump First Term

“And I said this is our first Jewish president... And now he’s the first Jewish president to serve two non-consecutive presidencies. We thank you for everything.” - Mark Levin with Donald Trump Second term

Donald Trump is playing a central role in their messianic process. It appears that Trump is the first beast and Elon Musk is the second beast as described in Revelations chapter 13. I would guess that the image of the beast could be an AI version of Trump or something to do with AI. If you’ve noticed, ever since Trump began his second term, they have been slightly pushing back on these liberal leftist ideologies. Eventually they are going to eliminate all of the liberal rights and freedoms such as: LGBT rights, abortion, pornography, abolishing all forms of sexual education in schools, removing all child rights, eliminating censorship in all its forms, and abolishing age-of-consent laws. This will all be done in a guise to “Make America Great Again” to get people on the right, especially Christians, to worship and follow the beast rather than Christ. The true sinister reason behind this, according to them, is because children who are oblivious to their bodies and sex are easier to groom, molest, and control. Basically, you can think of democracy as two sides: left wing overt pedophilia and right wing covert pedophilia. Democracy and constitutional government is just another divide and conquer strategy employed by the synagogue of Satan.

There was a leak back in March of 2025. The story goes that a daughter of some politician found their parents computer opened to a forum for pedophiles on the dark web called “The Playground”. They took a screen recording of different sections of the website with different threads and topics which were all text and posted it online. The following thread titles are from the Politics page that were pinned:

“[Announcement] Mass social manipulation has worked in America. The Second American Revolution has commenced. THE COUNTRY IS OURS.”

“Post-Constitution America and 2025”

“Daddy’s home! Congratulations to Trump! May 2025 be a year of conquest!”

“The rise of our empire”

“Securing a Future for Child Lovers”

The thread titled “Securing a Future for Child Lovers” contained this message at the beginning:

“For our members in law enforcement, judiciary, politics and government, militias and military, running private schools, business, or working in private schools, charities, and religious organizations. The goals outlined here are our long-term vision. By exercising our authority, guided by these goals, we will be able to bring about radical social change.”

Keep in mind that this is from a dark web forum for pedophiles and that these people are everywhere.

“The greatest trick the Devil ever pulled was convincing the world that he didn’t exist.” – The Usual Suspects

2 Thessalonians 2 Now concerning the coming of our Lord Jesus Christ and our being gathered together to him, we ask you, brothers, 2 not to be quickly shaken in mind or alarmed, either by a spirit or a spoken word, or a letter seeming to be from us, to the effect that the day of the Lord has come. 3 Let no one deceive you in any way. For that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of destruction, 4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God. 5 Do you not remember that when I was still with you I told you these things? 6 And you know what is restraining him now so that he may be revealed in his time. 7 For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way. 8 And then the lawless one will be revealed, whom the Lord Jesus will kill with the breath of his mouth and bring to nothing by the appearance of his coming. 9 The coming of the lawless one is by the activity of Satan with all power and false signs and wonders, 10 and with all wicked deception for those who are perishing, because they refused to love the truth and so be saved. 11 Therefore God sends them a strong delusion, so that they may believe what is false, 12 in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

Fear not! This nightmare is almost over. Based on verses from scripture, myself as well as others truly believe we are at the end of Satan’s little season as mentioned in Revelation chapter 20:1-8. Every human being has an eternal soul and there is an afterlife. Not everyone has eyes to see and ears to hear and most people won’t make it. What should be happening when you see all of the craziness and evil in the world is that you should ask questions and dig deeper to figure out what’s going on. The simple answer is that the Word of God is the ultimate truth and authority. The entire purpose of the test of life is to realize that the Son of God, our Lord and Savior Jesus Christ is the only perfect human that ever walked the face of Earth. He told us and still tells us through the living Word of God the correct way that we should live our lives, as well as his disciples the apostles with the books comprising the New Testament. The only way out of this mess is to accept this fact and turn to Christ for forgiveness, repent and turn away from sin. Reject this world and the things in the world because God wins in the end and this world will be destroyed in the near future. God is perfect. Jesus Christ is Lord.

The Way of Life

Ephesians 6:10-20 10 Finally, be strong in the Lord and in the strength of his might. 11 Put on the whole armor of God, that you may be able to stand against the schemes of the devil. 12 For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. 13 Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm. 14 Stand therefore, having fastened on the belt of truth, and having put on the breastplate of righteousness, 15 and, as shoes for your feet, having put on the readiness given by the gospel of peace. 16 In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one; 17 and take the helmet of salvation, and the sword of the Spirit, which is the word of God, 18 praying at all times in the Spirit, with all prayer and supplication. To that end, keep alert with all perseverance, making supplication for all the saints, 19 and also for me, that words may be given to me in opening my mouth boldly to proclaim the mystery of the gospel, 20 for which I am an ambassador in chains, that I may declare it boldly, as I ought to speak.

The Second Coming

In order to understand how we got to this point, you need to think in terms of times and ages. Many Christians believe that we are still waiting for the second coming Christ. However, the following verses suggest that the kingdom of heaven was at hand during the times when the books from the New Testament were written. According to scripture, the belief that we are still waiting for the second coming doesn't make sense, especially since there already was a 1,000 year period where Christianity spread throughout the world and reigned supreme specifically among White Europeans (The Middle Ages 500-1500AD).

Matthew 4:17 17 From that time Jesus began to preach, saying, “Repent, for the kingdom of heaven is at hand.”

Matthew 10:5-7 5 These twelve Jesus sent out, instructing them, “Go nowhere among the Gentiles and enter no town of the Samaritans, 6 but go rather to the lost sheep of the house of Israel. 7 And proclaim as you go, saying, ‘The kingdom of heaven is at hand.’

Luke 9:27 27 But I tell you truly, there are some standing here who will not taste death until they see the kingdom of God.”

Matthew 16:28 28 Truly, I say to you, there are some standing here who will not taste death until they see the Son of Man coming in his kingdom.”

Mark 9:1 And he said to them, “Truly, I say to you, there are some standing here who will not taste death until they see the kingdom of God after it has come with power.”

Mark 13:30 Truly, I say to you, this generation will not pass away until all these things take place.

Matthew 24:34 34 Truly, I say to you, this generation will not pass away until all these things take place.

James 5:8 8 You also, be patient. Establish your hearts, for the coming of the Lord is at hand.

John 4:23-24 23 But the hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him.

24 God is spirit, and those who worship him must worship in spirit and truth.”

1 Corinthians 7:25-31 25 Now concerning the betrothed, I have no command from the Lord, but I give my judgment as one who by the Lord's mercy is trustworthy. 26 I think that in view of the present distress it is good for a person to remain as he is. 27 Are you bound to a wife? Do not seek to be free. Are you free from a wife? Do not seek a wife. 28 But if you do marry, you have not sinned, and if a betrothed woman marries, she has not sinned. Yet those who marry will have worldly troubles, and I would spare you that. 29 This is what I mean, brothers: the appointed time has grown very short. From now on, let those who have wives live as though they had none, 30 and those who mourn as though they were not mourning, and those who rejoice as though they were not rejoicing, and those who buy as though they had no goods, 31 and those who deal with the world as though they had no dealings with it. For the present form of this world is passing away.

Romans 8:18 For I consider that the sufferings of this present time are not worthy to be compared with the glory that is to be revealed to us.

Romans 16:20 20 The God of peace will soon crush Satan under your feet. The grace of our Lord Jesus Christ be with you.

Titus 2:11-14 11 For the grace of God has appeared, bringing salvation for all people, 12 training us to renounce ungodliness and worldly passions, and to live self-controlled, upright, and godly lives in the present age, 13 waiting for our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ, 14 who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works.

1 Peter 4:7 7 The end of all things is at hand; therefore be self-controlled and sober-minded for the sake of your prayers.

Hebrews 1:1-2 1 Long ago, at many times and in many ways, God spoke to our fathers by the prophets, 2 but in these last days he has spoken to us by his Son, whom he appointed the heir of all things, through whom also he created the world.

1 John 2:15-17 15 Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. 16 For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life—is not from the Father but is from the world. 17 And the world is passing away along with its desires, but whoever does the will of God abides forever.

1 John 2:18 18 Children, it is the last hour, and as you have heard that antichrist is coming, so now many antichrists have come. Therefore we know that it is the last hour.

Galatians 1:3-5 3 Grace to you and peace from God our Father and the Lord Jesus Christ, 4 who gave himself for our sins to deliver us from the present evil age, according to the will of our God and Father, 5 to whom be the glory forever and ever. Amen.

2 Timothy 4:10 For Demas, in love with this present world, has deserted me and gone to Thessalonica. Crescens has gone to Galatia, Titus to Dalmatia.

Matthew 12:32 And whoever speaks a word against the Son of Man will be forgiven, but whoever speaks against the Holy Spirit will not be forgiven, either in this age or in the age to come.

1 Corinthians 2:6 Yet among the mature we do impart wisdom, although it is not a wisdom of this age or of the rulers of this age, who are doomed to pass away.

Luke 12:54-56 54 He also said to the crowds, "When you see a cloud rising in the west, you say at once, 'A shower is coming.' And so it happens. 55 And when you see the south wind blowing, you say, 'There will be scorching heat,' and it happens. 56 You hypocrites! You know

how to interpret the appearance of earth and sky, but why do you not know how to interpret the present time?

Matthew 16:1-4 1 And the Pharisees and Sadducees came, and to test him they asked him to show them a sign from heaven. 2 He answered them, “When it is evening, you say, ‘It will be fair weather, for the sky is red.’ 3 And in the morning, ‘It will be stormy today, for the sky is red and threatening.’ You know how to interpret the appearance of the sky, but you cannot interpret the signs of the times. 4 An evil and adulterous generation seeks for a sign, but no sign will be given to it except the sign of Jonah.” So he left them and departed.

The Dividing of the Times

If you dig deep to make sense of what is going on and search the Bible for answers you will discover that we are living in a certain age and the end of that age is coming soon. The current rulers of this world are all of one mind with one goal. Our rulers worship Satan and Satan’s mission is to deceive all of the nations of the world in attempt to take as many souls as possible by turning people away from the truth, which is belief and faith in Jesus Christ. Anyone that has any belief or faith in the rulers of this world (mankind) is still in a state of deception, and there is a very high chance there are things that they need to repent for that they are unaware of. The rulers of our world are the reason there has been a decline in Christianity over the years especially after World War II, and they are the reason why atheism (belief in science) even exists.

Revelation 20:1-8

1: And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

2: And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

3: And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

7: And when the thousand years are expired, Satan shall be loosed out of his prison,

8: And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea.

Our history has been rewritten, but given the information that we have, it makes sense that we are actually at the very end of Satan’s little season as described in Rev. 20:3. One season of a millennium would be equal to 250 years. A possible scenario is that the times of the New Testament were an end times age and the fall of the second temple, which would have been the temple of the Pharisees marked the end of that age. The Pharisees were the primary opposition group to Jesus Christ and were responsible for his crucifixion. They would have been the primary authority of the time and this group most likely contained the same people as mentioned in Rev. 2:9 and Rev. 3:9.

There was a transition age between 70 AD to 500 AD, which was the beginning of the Middle Ages (500 AD – 1500 AD). From the times of the New Testament to the beginning of the Middle Ages, White Europeans as a whole switched from paganism to Christianity. It wasn’t until the times after World War II where we begin to see a decline in Christianity among White European nations.

When you research why that really happened, you will find that the forces of Satan began preparing for battle against Jesus Christ and the Church in the 1500's. You can think of this time as when man started his attempt to place himself above God. There were three key ideological revolutions that occurred which served to undermine that church. The Protestant Reformation (1517), the Scientific Revolution (1543-1687), and the Age of Enlightenment (1687-1789). You can think of these revolutions as the forces of Satan preparing to wage war against Jesus Christ and the church. The culmination of this preparation for war resulted in both the American (1776) and French (1789) Revolutions. My belief that other people believe as well is that Satan was let loose from the pit in the year 1789. This is when the forces of Satan (men) began to take control of the nations in order to deceive the nations and distort the truth. If you understand that, the forces of Satan have been trying to destroy what was already set in stone for over 500 years now, that is, the true way of life and our understanding of the Bible.

Revelation 13:18 18 This calls for wisdom: let the one who has understanding calculate the number of the beast, for it is the number of a man, and his number is 666.

The Apocrypha isn't included in most modern bibles, but it was included in the original 1611 version of the King James Bible. The excerpt from the 1901 Babylonian Talmud seems to imply that at some point in the past it was considered canon. The key verses that help us understand the dividing of the times are found in the second book of Ezra:

2 Esdras 6:7-10 And I answered and said, "What will be the dividing of the times? Or when will be the end of the first age and the beginning of the age that follows?" He said to me, "From Abraham to Isaac, because from him were born Jacob and Esau, for Jacob's hand held Esau's heel from the beginning. For Esau is the end of this age, and Jacob is the beginning of the age that follows. For the beginning of a man is his hand, and the end of a man is his heel; between the heel and the hand seek for nothing else, Ezra!"

You can think of the times of Jesus Christ and when the books of the New Testament were written as an end times age, or an age of Esau. The millennial reign of Christ that followed, or the Middle Ages was an age of Jacob. Finally, the current age that we are in (Satan's little season) is the last end times age of Esau before final judgment.

The Two Primary Nations – Jacob & Esau – Israel & Edom

In order to better understand the dividing of the times, we must know who are the true Israelites? To put it simply, if we think of the age that we live in that started in 1789 (French Revolution, destruction of the monarchy/aristocracy), which was also around the time the United States Constitution was being ratified, there are those who say they are Jews and claim to be God's chosen people. These people only started calling themselves Jews in the late 1700's/early 1800's and they openly reject Jesus Christ as the messiah, the New Testament, they view Christianity as idolatry, and they are on the brink of ushering in their messiah the antichrist (Trump). It makes absolutely no sense for a Christian to have any belief, faith, or support for these people. The only response or reaction that a Christian should have towards these people is to pray for them to turn to your Lord Jesus Christ.

Revelation 2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.

Revelation 3:9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold I will make them to come and worship before thy feet, and to know that I have loved thee.

For those who have eyes to see and ears to hear and who have an ability to question authority as well as people who have become aware of their control over us, it is obvious that they are the descendants of the same people referenced in the two previous verses. They are the synagogue of Satan and they are liars. We are at the point where they pretty much control the entire world and they hate White people with every fiber of their being, at least the elite Jews running the show. This aligns with the Lord's punishment for the Israelites for disobedience in Leviticus 26:17. White Europeans are the descendants of the lost tribes of Israel. If you choose to believe what they say, you are putting your belief in them over the words of your Lord Jesus Christ through the living Word of God. The official WWII story that we are told is projection and the opposite is true. They are the true Nazi's (racial supremacists) and as for the Holocaust, it was never a plan by the Germans to exterminate the Jews, it's their plan to exterminate the White race and attempt to destroy Christianity. That story identifies the two primary nations of the bible from Genesis. They are Edomites and it appears that we are currently in the final age of Esau/Edom.

Genesis 25:23 And the Lord said to her, "Two nations are in your womb, and two peoples from within you shall be divided; the one shall be stronger than the other, the older shall serve the younger."

Contrary to what they tell us, multicultural and diverse societies never survive and it's actually one of the primary factors for the decline of a civilization. A people or a race is a nation, which can consist of different tribes. If you are still holding onto the core beliefs that we learn in the public education system, that means you are essentially cursing Israel by viewing White people having a love for their own people as a taboo that is not socially acceptable.

In my opinion, both the heliocentric model of the universe and the official WWII story are the most important lies to overcome. The purpose of the globe (as well as evolution) serves to conceal the existence of our Creator and turns many away from ever looking into the Bible for answers. It's the reason why I never had any interest looking into Christianity for the vast majority of my life. The official WWII story is where the idea of White Supremacism comes from, which makes it an extreme societal taboo for the true Israelites to have a love for their own people. The other half of that story makes it an extreme taboo to speak out against our true rulers, the synagogue of Satan. It's essentially their license to kill. Also, what they tell us about American slavery isn't true. They were the ones responsible for bringing Africans to America and were the majority of slave owners. American slavery and White Supremacism, as well as their historical version of colonialism serve to make Whites have a guilt complex and hatred for their own race. Both of these lies go against the two greatest commandments.

The Greatest Commandments

Matthew 22:36-40 36 “Teacher, which is the great commandment in the Law?” 37 And he said to him, “You shall love the Lord your God with all your heart and with all your soul and with all your mind. 38 This is the great and first commandment. 39 And a second is like it: You shall love your neighbor as yourself. 40 On these two commandments depend all the Law and the Prophets.”

Mark 12:28-31 28 And one of the scribes came up and heard them disputing with one another, and seeing that he answered them well, asked him, “Which commandment is the most important of all?” 29 Jesus answered, “The most important is, ‘Hear, O Israel: The Lord our God, the Lord is one. 30 And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ 31 The second is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.”

At the surface level, our fellow neighbors would be our fellow citizens of the nation that we are living in. Any Christian who has any belief and faith in the rulers of this world is violating both of the greatest commandments. For example, a Christian in America who puts their faith in their government is worshipping democracy. In reality, democratic governments are just another divide and conquer strategy employed by the rulers of this world. Rather than worshipping the Lord with all of your love, you are worshipping laws that were created by men. And if you are picking a side, that puts you into one of two parties that hate each other to some degree, which is violating the second of the two greatest commandments. And as you can see, this has resulted in our nation being on the brink of a civil war over the question of what is a woman?

Matthew 12:25 Knowing their thoughts, he said to them, “Every kingdom divided against itself is laid waste, and no city or house divided against itself will stand.

The Reformation – Faith without Works

Colossians 2:8 See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ.

The Protestant Reformation (1517) brought the idea that faith alone saves, that is faith without works. This idea came from a man named Martin Luther. Many people believe that you can just believe in Jesus Christ and live a life of sin and still be saved. When you analyze the verses they use to justify that belief and consider the rest of the New Testament, that idea makes absolutely no sense. What it boils down to is what does it actually mean to believe and have faith in Jesus Christ? What is the difference between belief and faith?

James 2:14-26 14 What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? 15 If a brother or sister is poorly clothed and lacking in daily food, 16 and one of you says to them, “Go in peace, be warmed and filled,” without giving them the things needed for the body, what good is that? 17 So also faith by itself, if it does not have works, is dead. 18 But someone will say, “You have faith and I have works.” Show me your faith apart from your works, and I will show you my faith by my works. 19 You believe that God is one; you do well. Even the demons believe—and shudder! 20 Do you want to be

shown, you foolish person, that faith apart from works is useless? 21 Was not Abraham our father justified by works when he offered up his son Isaac on the altar? 22 You see that faith was active along with his works, and faith was completed by his works; 23 and the Scripture was fulfilled that says, “Abraham believed God, and it was counted to him as righteousness”—and he was called a friend of God. 24 You see that a person is justified by works and not by faith alone. 25 And in the same way was not also Rahab the prostitute justified by works when she received the messengers and sent them out by another way? 26 For as the body apart from the spirit is dead, so also faith apart from works is dead.

In the Old Testament we had the Law, but with the New Testament we have the Messiah, God in the flesh, our Lord and savior Jesus Christ who spoke with authority and told us how to live our lives. And we also have his disciples, the apostles and the rest of the books comprising the New Testament. To believe in Christ is to understand that the way that he teaches us to live our lives is the correct way of life. If you don’t believe that, just realize that our nation has been in an extreme rebellion of the ways of the Lord ever since the 1960’s beginning with the sexual revolution, gender equality, feminism, etc... Leftist liberalism is just lawlessness disguised as progress. For those who believe that they can live lives of sin and still be saved, read the following verses and ask yourself if you really want to take that risk.

John 3:36 36 Whoever believes in the Son has eternal life; whoever does not obey the Son shall not see life, but the wrath of God remains on him.

2 John 9 Everyone who goes on ahead and does not abide in the teaching of Christ, does not have God. Whoever abides in the teaching has both the Father and the Son.

John 14:12 12 “Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father.

John 5:14 14 Afterward Jesus found him in the temple and said to him, “See, you are well! Sin no more, that nothing worse may happen to you.”

John 14:15 If you love me, you will keep my commandments.

James 1:22 But be doers of the word, and not hearers only, deceiving yourselves.

Matthew 7:13-14 13 Enter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, and those who enter by it are many. 14 For the gate is narrow and the way is hard that leads to life, and those who find it are few.

Matthew 7:21-27 21 “Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven, but the one who does the will of my Father who is in heaven. 22 On that day many will say to me, ‘Lord, Lord, did we not prophesy in your name, and do many mighty works in your name?’ 23 And then will I declare to them, ‘I never knew you; depart from me, you workers of lawlessness.’ 24 “Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. 25 And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. 26 And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. 27 And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it.”

Luke 6:46-49 46 “Why do you call me ‘Lord, Lord,’ and not do what I tell you? 47 Everyone who comes to me and hears my words and does them, I will show you what he is like: 48 he is like a man building a house, who dug deep and laid the foundation on the rock. And when a flood arose, the stream broke against that house and could not shake it, because it had

been well built. 49 But the one who hears and does not do them is like a man who built a house on the ground without a foundation. When the stream broke against it, immediately it fell, and the ruin of that house was great.”

2 Thessalonians 1:7-8 7 and to grant relief to you who are afflicted as well as to us, when the Lord Jesus is revealed from heaven with his mighty angels 8 in flaming fire, inflicting vengeance on those who do not know God and on those who do not obey the gospel of our Lord Jesus.

1 Corinthians 15:34 34 Wake up from your drunken stupor, as is right, and do not go on sinning. For some have no knowledge of God. I say this to your shame.

2 Corinthians 5:10 10 For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil.

Romans 2:6-10 6 He will render to each one according to his works: 7 to those who by patience in well-doing seek for glory and honor and immortality, he will give eternal life; 8 but for those who are self-seeking and do not obey the truth, but obey unrighteousness, there will be wrath and fury. 9 There will be tribulation and distress for every human being who does evil, the Jew first and also the Greek, 10 but glory and honor and peace for everyone who does good, the Jew first and also the Greek.

Note: There is a distinction between God’s chosen people and those who are not. Not every race is the same/equal. Their true end goal is what they refer to as a melting pot, which is the eventual destruction of all the different races and cultures in order to create a single race of people to be used as slaves.

Romans 6:1-4 6 What shall we say then? Are we to continue in sin that grace may abound? 2 By no means! How can we who died to sin still live in it? 3 Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? 4 We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.

2 Timothy 2:19 19 But God's firm foundation stands, bearing this seal: “The Lord knows those who are his,” and, “Let everyone who names the name of the Lord depart from iniquity.”

1 John 2:2-3 2 He is the propitiation for our sins, and not for ours only but also for the sins of the whole world. 3 And by this we know that we have come to know him, if we keep his commandments.

1 John 3:4-6 4 Everyone who makes a practice of sinning also practices lawlessness; sin is lawlessness. 5 You know that he appeared in order to take away sins, and in him there is no sin. 6 No one who abides in him keeps on sinning; no one who keeps on sinning has either seen him or known him.

1 John 5:18 18 We know that everyone who has been born of God does not keep on sinning, but he who was born of God protects him, and the evil one does not touch him.

Colossians 3:5-10 5 Put to death therefore what is earthly in you: sexual immorality, impurity, passion, evil desire, and covetousness, which is idolatry. 6 On account of these the wrath of God is coming. 7 In these you too once walked, when you were living in them. 8 But now you must put them all away: anger, wrath, malice, slander, and obscene talk from your mouth. 9 Do not lie to one another, seeing that you have put off the old self with its practices 10 and have put on the new self, which is being renewed in knowledge after the image of its creator.

Matthew 5:27-30 27 “You have heard that it was said, ‘You shall not commit adultery.’ 28 But I say to you that everyone who looks at a woman with lustful intent has already committed

adultery with her in his heart. 29 If your right eye causes you to sin, tear it out and throw it away. For it is better that you lose one of your members than that your whole body be thrown into hell. 30 And if your right hand causes you to sin, cut it off and throw it away. For it is better that you lose one of your members than that your whole body go into hell.

Mark 9:42-50 42 “Whoever causes one of these little ones who believe in me to sin, it would be better for him if a great millstone were hung around his neck and he were thrown into the sea. 43 And if your hand causes you to sin, cut it off. It is better for you to enter life crippled than with two hands to go to hell, to the unquenchable fire. 45 And if your foot causes you to sin, cut it off. It is better for you to enter life lame than with two feet to be thrown into hell. 47 And if your eye causes you to sin, tear it out. It is better for you to enter the kingdom of God with one eye than with two eyes to be thrown into hell, 48 ‘where their worm does not die and the fire is not quenched.’ 49 For everyone will be salted with fire. 50 Salt is good, but if the salt has lost its saltiness, how will you make it salty again? Have salt in yourselves, and be at peace with one another.”

Ephesians 4:17-32 17 Now this I say and testify in the Lord, that you must no longer walk as the Gentiles do, in the futility of their minds. 18 They are darkened in their understanding, alienated from the life of God because of the ignorance that is in them, due to their hardness of heart. 19 They have become callous and have given themselves up to sensuality, greedy to practice every kind of impurity. 20 But that is not the way you learned Christ!— 21 assuming that you have heard about him and were taught in him, as the truth is in Jesus, 22 to put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires, 23 and to be renewed in the spirit of your minds, 24 and to put on the new self, created after the likeness of God in true righteousness and holiness. 25 Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another. 26 Be angry and do not sin; do not let the sun go down on your anger, 27 and give no opportunity to the devil. 28 Let the thief no longer steal, but rather let him labor, doing honest work with his own hands, so that he may have something to share with anyone in need. 29 Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. 30 And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. 31 Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. 32 Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

1 Corinthians 6:9-11 9 Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived: neither the sexually immoral, nor idolaters, nor adulterers, nor men who practice homosexuality, 10 nor thieves, nor the greedy, nor drunkards, nor revilers, nor swindlers will inherit the kingdom of God. 11 And such were some of you. But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God.

Ephesians 5:1-11 Therefore be imitators of God, as beloved children. 2 And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God. 3 But sexual immorality and all impurity or covetousness must not even be named among you, as is proper among saints. 4 Let there be no filthiness nor foolish talk nor crude joking, which are out of place, but instead let there be thanksgiving. 5 For you may be sure of this, that everyone who is sexually immoral or impure, or who is covetous (that is, an idolater), has no inheritance in the kingdom of Christ and God. 6 Let no one deceive you with empty words, for because of these things the wrath of God comes upon the sons of disobedience. 7 Therefore do not become

partners with them; 8 for at one time you were darkness, but now you are light in the Lord. Walk as children of light 9 (for the fruit of light is found in all that is good and right and true), 10 and try to discern what is pleasing to the Lord. 11 Take no part in the unfruitful works of darkness, but instead expose them.

Galatians 5:19-21 19 Now the works of the flesh are evident: sexual immorality, impurity, sensuality, 20 idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, 21 envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God.

Hebrews 10:26 26 For if we go on sinning deliberately after receiving the knowledge of the truth, there no longer remains a sacrifice for sins, 27 but a fearful expectation of judgment, and a fury of fire that will consume the adversaries. 28 Anyone who has set aside the law of Moses dies without mercy on the evidence of two or three witnesses. 29 How much worse punishment, do you think, will be deserved by the one who has trampled underfoot the Son of God, and has profaned the blood of the covenant by which he was sanctified, and has outraged the Spirit of grace? 30 For we know him who said, “Vengeance is mine; I will repay.” And again, “The Lord will judge his people.” 31 It is a fearful thing to fall into the hands of the living God.

Luke 13:23-30 23 And someone said to him, “Lord, will those who are saved be few?” And he said to them, 24 “Strive to enter through the narrow door. For many, I tell you, will seek to enter and will not be able. 25 When once the master of the house has risen and shut the door, and you begin to stand outside and to knock at the door, saying, ‘Lord, open to us,’ then he will answer you, ‘I do not know where you come from.’ 26 Then you will begin to say, ‘We ate and drank in your presence, and you taught in our streets.’ 27 But he will say, ‘I tell you, I do not know where you come from. Depart from me, all you workers of evil!’ 28 In that place there will be weeping and gnashing of teeth, when you see Abraham and Isaac and Jacob and all the prophets in the kingdom of God but you yourselves cast out. 29 And people will come from east and west, and from north and south, and recline at table in the kingdom of God. 30 And behold, some are last who will be first, and some are first who will be last.”

Revelation 20:12-15 12 And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. 13 And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. 14 And death and hell were cast into the lake of fire. This is the second death. 15 And whosoever was not found written in the book of life was cast into the lake of fire.

The Scientific Revolution – Oppositions of Science

The next ideological revolution that followed the Reformation was the Scientific Revolution (1543-1687). This brought us the heliocentric model of the universe, which is based on the works of men. When our children are sent to the public education system where they don't learn about the Word of God or Jesus Christ, they are taught to believe in planet Earth and outer space, as well as evolution. This is the scientific explanation for the meaning of life, which in many ways goes against the correct way of life. Rather than a young man leaving his parents to find a wife to marry and have children, we are taught about climate change, overpopulation, and scarcity of resources. This is what I believed for most of my life and it's the primary reason for why I never had an interest to learn about Christianity or religion in general, as well as part of the

reason for not wanting to have children. It's a stumbling block for many people that goes against the first of the two greatest commandments. Rather than believing in our Creator and an afterlife, we're led to believe that we are here by chance, we're born, we live, and then we die and that's it.

There are two competing cosmological models of the universe. The Biblical description of the universe according to the word of God is the geocentric model, which is what most people believed in the past. The Scientific Revolution is where the heliocentric model of the universe comes from (planet Earth, space). It's based on the works of men, most notably: Copernicus, Galileo, Bruno, Kepler, and Isaac Newton. Even though the heliocentric model of the universe comes from the Scientific Revolution, it can't be scientifically proven. There is no experiment that you can perform that proves the Earth is in motion. All of the "proof" that we have for this model comes from the television, which is essentially a satanic idol when you put your belief in the things that you see on the television. The primary purpose of this lie is to conceal the proof of the existence of God, and it's the primary belief system of atheists.

1 Timothy 6:20-21 KJV O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called: Which some professing have erred concerning the faith. Grace be with thee. Amen.

Below is a recap from the authority of man/synagogue of Satan regarding oppositions of science: Protocol 2: For them let that play the principal part which we have persuaded them to accept as the dictates of science (theory). It is with this object in view that we are constantly, by means of our press, arousing a blind confidence in these theories. The intellectuals of the goyim will puff themselves up with their knowledge and without any logical verification of them will put into effect all the information available from science, which our agentur specialists have cunningly pieced together for the purpose of educating their minds in the direction we want. Do not suppose for a moment that these statements are empty words: think carefully of the successes we arranged for Darwinism, Marxism, Nietzsche-ism. To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the goyim. Protocol 4: This is the reason why it is indispensable for us to undermine all faith, to tear out of the minds of the GOYIM the very principle of Godhead, and the spirit, and to put in its place arithmetical calculations and material needs.

Protocol 9: We have fooled, bemused and corrupted the youth of the GOYIM by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated.

Protocol 14: ...which will be used by us to influence the minds of the goyim, directing them towards such understanding and forms of knowledge as have been determined by us.

Reichhorn Funeral Oration 1869: But above all let us monopolize Education. By this means we spread ideas that are useful to us, and shape the children's brains as suits us.

The Age of Enlightenment – Democracy – Divide & Conquer

The primary goal of the Age of Enlightenment (1687-1789) was to separate the Word of God and the laws of God from the laws of our nation(s). Some of the ideals that this movement promoted were: natural law, liberty, progress, toleration, fraternity, constitutional government, and separation of church and state. Individual liberty and religious tolerance were the central doctrines of the Enlightenment, which was a direct opposition to absolute monarchy and the

power of religious authorities of the time. Rather than following the ways of the Lord and laws of God, now we are worshipping the laws and commandments of men. The core problem with democracy is individual liberty, which has created individualistic societies. This means that we only think in terms of the self and we only love ourselves. I would assume most parents love their children, but since we don't truly love our neighbors as ourselves it's only the idea of love. A simple proof would be the fact that every person is probably aware of inflation and the higher cost of living, but most people don't really question it because this inflation problem in the USA has been an exponential problem that started back in 1913 when we gave the control of our money to the synagogue of Satan.

Luke 12:1 In the meantime, when so many thousands of the people had gathered together that they were trampling one another, he began to say to his disciples first, "Beware of the leaven of the Pharisees, which is hypocrisy.

Aside from democracy making us all guilty of the crime of individualism, or to be lovers of the self, the next stage of our ruler's plans post-WWII brought us extreme liberalism. Below is a recap from the authority of man/synagogue of Satan regarding democracy and liberalism and their true purpose:

Protocol 3: The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature.

Protocol 10: Liberalism produced Constitutional States, which took the place of what was the only safeguard of the goyim, namely, Despotism; and a constitution, as you well know, is nothing else but a school of discords, misunderstandings, quarrels, disagreements, fruitless party agitations, party whims — in a word, a school of everything that serves to destroy the personality of State activity.

Protocol 10: When we introduced into the State organism the poison of Liberalism its whole political complexion underwent a change. States have been seized with a mortal illness—blood poisoning. All that remains is to await the end of their death agony.

Protocol 12: ...because progress, or rather the idea of progress, has introduced the conception of every kind of emancipation, but has failed to establish its limits. . . . All the so-called liberals are anarchists, If not in fact, at any rate in thought. Every one of them is hunting after phantoms of freedom, and falling exclusively into license, that is, into the anarchy of protest for the sake of protest . . .

Protocol 13: The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service.

Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive: for have we not with complete success turned the brainless heads of the goyim with progress will there is not among the goyim one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

Protocol 14: In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.

Protocol 15: While preaching liberalism to the goyim we at the same time keep our own people and our agents in a state of unquestioning submission.

In summary, the Reformation brought forth the idea that we don't need to obey the commands of the Lord to be saved. The Scientific Revolution serves to provide an alternative belief system that's based on the works of men rather than the word of God. The Enlightenment removed the word of God and laws of God from our nations and replaced it with the beliefs, works, and laws of men. And both the American and French Revolutions mark the completion of the preparation for battle and when the forces of Satan began their attack against Jesus Christ, God, and the word of God.

Other important verses and things to avoid/repent for

- People need to repent for taking the vaccine, since they put their belief in science and trust in the synagogue of Satan. It's either the mark or precursor to the mark of the beast. Flee from all sexual immorality and fornication. Stop worshipping politics and science and work on rejecting this world entirely and preparing for the coming of our Lord. If you realize what is going on and you truly love your God and your neighbors you will understand that you need to take this knowledge and spread it as best you can. The Kingdom of Heaven is at hand!
- I personally believe Jesus was born on September 11th. The modern Christmas on December 25th has ties to the ancient pagan festival Saturnalia (ancient pagan sun worship). The whole holiday is centered on materialism and Santa is an anagram of Satan.
- It makes sense that sex is marriage in the eyes of the Lord. Anytime a man plants his seed in a woman the two become one flesh. Women retain the DNA from men in their bodies possibly for life (microchimerism & telogony). Marrying a divorced woman is considered adultery as well as divorcing a wife and marrying another.
- For men, semen retention is vital. If you think of a human life at the moment of conception and at adulthood, the egg represents the body and the seed represents the brain/spinal cord/central nervous system. Every time a man expels his seed, I believe the same nutrients used by the central nervous system are used to create new seed, which takes priority.
- Read Rev 13, and 2 Thessalonians 2 for info on the antichrist.
- "Sunday is our mark of authority... The church is above the Bible, and this transference of Sabbath observance is proof of that fact." – Catholic Record, London, Ontario, September 1, 1923 (The Sabbath is most likely Saturday)

Romans 10:9 because, if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.

Matthew 7:7 Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you.

The Lord's Prayer

Matthew 6:6-13 6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly. 7 But when ye pray, use not vain repetitions, as the heathen do: for

they think that they shall be heard for their much speaking. 8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him. 9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. 10 Thy kingdom come. Thy will be done in earth, as it is in heaven. 11 Give us this day our daily bread. 12 And forgive us our debts, as we forgive our debtors. 13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

Luke 19:11-27 (Parable of the ten minas. This is applicable to people who are aware that our Lord is returning very soon.)

Matthew 13:36-43 36 Then he left the crowds and went into the house. And his disciples came to him, saying, "Explain to us the parable of the weeds of the field." 37 He answered, "The one who sows the good seed is the Son of Man. 38 The field is the world, and the good seed is the sons of the kingdom. The weeds are the sons of the evil one, 39 and the enemy who sowed them is the devil. The harvest is the end of the age, and the reapers are angels. 40 Just as the weeds are gathered and burned with fire, so will it be at the end of the age. 41 The Son of Man will send his angels, and they will gather out of his kingdom all causes of sin and all law-breakers, 42 and throw them into the fiery furnace. In that place there will be weeping and gnashing of teeth. 43 Then the righteous will shine like the sun in the kingdom of their Father. He who has ears, let him hear.

Marriage – Men & Women

Ephesians 5:22-33 22 Wives, submit to your own husbands, as to the Lord. 23 For the husband is the head of the wife even as Christ is the head of the church, his body, and is himself its Savior. 24 Now as the church submits to Christ, so also wives should submit in everything to their husbands. 25 Husbands, love your wives, as Christ loved the church and gave himself up for her, 26 that he might sanctify her, having cleansed her by the washing of water with the word, 27 so that he might present the church to himself in splendor, without spot or wrinkle or any such thing, that she might be holy and without blemish. 28 In the same way husbands should love their wives as their own bodies. He who loves his wife loves himself. 29 For no one ever hated his own flesh, but nourishes and cherishes it, just as Christ does the church, 30 because we are members of his body. 31 "Therefore a man shall leave his father and mother and hold fast to his wife, and the two shall become one flesh." 32 This mystery is profound, and I am saying that it refers to Christ and the church. 33 However, let each one of you love his wife as himself, and let the wife see that she respects her husband.

Colossians 3:18-20 18 Wives, submit to your husbands, as is fitting in the Lord. 19 Husbands, love your wives, and do not be harsh with them. 20 Children, obey your parents in everything, for this pleases the Lord.

1 Corinthians 7:1-5 1 Now concerning the matters about which you wrote: "It is good for a man not to have sexual relations with a woman." 2 But because of the temptation to sexual immorality, each man should have his own wife and each woman her own husband. 3 The husband should give to his wife her conjugal rights, and likewise the wife to her husband. 4 For the wife does not have authority over her own body, but the husband does. Likewise the husband does not have authority over his own body, but the wife does. 5 Do not deprive one another, except perhaps by agreement for a limited time, that you may devote yourselves to prayer; but then come together again, so that Satan may not tempt you because of your lack of self-control.

Hebrews 13:4 Let marriage be held in honor among all, and let the marriage bed be undefiled, for God will judge the sexually immoral and adulterous.

Luke 16:18 “Everyone who divorces his wife and marries another commits adultery, and he who marries a woman divorced from her husband commits adultery.

1 Corinthians 14:34-35 34 the women should keep silent in the churches. For they are not permitted to speak, but should be in submission, as the Law also says. 35 If there is anything they desire to learn, let them ask their husbands at home. For it is shameful for a woman to speak in church.

1 Timothy 2:11-15 11 Let a woman learn quietly with all submissiveness. 12 I do not permit a woman to teach or to exercise authority over a man; rather, she is to remain quiet. 13 For Adam was formed first, then Eve; 14 and Adam was not deceived, but the woman was deceived and became a transgressor. 15 Yet she will be saved through childbearing—if they continue in faith and love and holiness, with self-control.

Sexual Immorality/Lust

Romans 1:26-27 26 For this reason God gave them up to dishonorable passions. For their women exchanged natural relations for those that are contrary to nature; 27 and the men likewise gave up natural relations with women and were consumed with passion for one another, men committing shameless acts with men and receiving in themselves the due penalty for their error.

1 Corinthians 6:13-20 13 “Food is meant for the stomach and the stomach for food”—and God will destroy both one and the other. The body is not meant for sexual immorality, but for the Lord, and the Lord for the body. 14 And God raised the Lord and will also raise us up by his power. 15 Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a prostitute? Never! 16 Or do you not know that he who is joined to a prostitute becomes one body with her? For, as it is written, “The two will become one flesh.” 17 But he who is joined to the Lord becomes one spirit with him. 18 Flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body. 19 Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, 20 for you were bought with a price. So glorify God in your body.

1 Timothy 1:8-11 8 Now we know that the law is good, if one uses it lawfully, 9 understanding this, that the law is not laid down for the just but for the lawless and disobedient, for the ungodly and sinners, for the unholy and profane, for those who strike their fathers and mothers, for murderers, 10 the sexually immoral, men who practice homosexuality, enslavers, liars, perjurers, and whatever else is contrary to sound doctrine, 11 in accordance with the gospel of the glory of the blessed God with which I have been entrusted.

Hebrews 12:15-16 15 See to it that no one fails to obtain the grace of God; that no “root of bitterness” springs up and causes trouble, and by it many become defiled; 16 that no one is sexually immoral or unholy like Esau, who sold his birthright for a single meal.

Revelation 21:8 But as for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death.”

Other

2 Timothy 3:1-9 But understand this, that in the last days there will come times of difficulty. 2 For people will be lovers of self, lovers of money, proud, arrogant, abusive,

disobedient to their parents, ungrateful, unholy, 3 heartless, unappeasable, slanderous, without self-control, brutal, not loving good, 4 treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, 5 having the appearance of godliness, but denying its power. Avoid such people. 6 For among them are those who creep into households and capture weak women, burdened with sins and led astray by various passions, 7 always learning and never able to arrive at a knowledge of the truth. 8 Just as Jannes and Jambres opposed Moses, so these men also oppose the truth, men corrupted in mind and disqualified regarding the faith. 9 But they will not get very far, for their folly will be plain to all, as was that of those two men.

Matthew 6:24 No one can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money.

Deuteronomy 7:3-4 You shall not intermarry with them, giving your daughters to their sons or taking their daughters for your sons, 4 for they would turn away your sons from following me, to serve other gods. Then the anger of the LORD would be kindled against you, and he would destroy you quickly.

Nehemiah 13:23-27 In those days also I saw the Jews who had married women of Ashdod, Ammon, and Moab. 24 And half of their children spoke the language of Ashdod, and they could not speak the language of Judah, but only the language of each people. 25 And I confronted them and cursed them and beat some of them and pulled out their hair. And I made them take an oath in the name of God, saying, “You shall not give your daughters to their sons, or take their daughters for your sons or for yourselves. 26 Did not Solomon king of Israel sin on account of such women? Among the many nations there was no king like him, and he was beloved by his God, and God made him king over all Israel. Nevertheless, foreign women made even him to sin. 27 Shall we then listen to you and do all this great evil and act treacherously against our God by marrying foreign women?”

1 Corinthians 7:18-20 18 Was anyone at the time of his call already circumcised? Let him not seek to remove the marks of circumcision. Was anyone at the time of his call uncircumcised? Let him not seek circumcision. 19 For neither circumcision counts for anything nor uncircumcision, but keeping the commandments of God. 20 Each one should remain in the condition in which he was called.

Job 28:28 28 And unto man he said, Behold, the fear of the LORD, that is wisdom; and to depart from evil is understanding.

Luke 12:39-53 49 “I came to cast fire on the earth, and would that it were already kindled! 50 I have a baptism to be baptized with, and how great is my distress until it is accomplished! 51 Do you think that I have come to give peace on earth? No, I tell you, but rather division. 52 For from now on in one house there will be five divided, three against two and two against three. 53 They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against her daughter-in-law and daughter-in-law against mother-in-law.”

2 Corinthians 4:3-4 3 And even if our gospel is veiled, it is veiled to those who are perishing. 4 In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God.

Matthew 10:41 The one who receives a prophet because he is a prophet will receive a prophet's reward, and the one who receives a righteous person because he is a righteous person will receive a righteous person's reward.

Ezekiel 3:16-21 16 And at the end of seven days, the word of the LORD came to me:
17 "Son of man, I have made you a watchman for the house of Israel. Whenever you hear a word from my mouth, you shall give them warning from me. 18 If I say to the wicked, 'You shall surely die,' and you give him no warning, nor speak to warn the wicked from his wicked way, in order to save his life, that wicked person shall die for his iniquity, but his blood I will require at your hand. 19 But if you warn the wicked, and he does not turn from his wickedness, or from his wicked way, he shall die for his iniquity, but you will have delivered your soul. 20 Again, if a righteous person turns from his righteousness and commits injustice, and I lay a stumbling block before him, he shall die. Because you have not warned him, he shall die for his sin, and his righteous deeds that he has done shall not be remembered, but his blood I will require at your hand. 21 But if you warn the righteous person not to sin, and he does not sin, he shall surely live, because he took warning, and you will have delivered your soul."
