The Jews

The normal Jew : lives a citizen' life just like the common plebery. Makes up for most of the Jewish population. That's obvious and shouldn't be pointed out.

The Subversive Jew : the Jew who lives outside of Israel, usually in a highly-developped Western country (USA, Canada, UK, France, Germany) to use the Deep-State of these parasited country to provide the needs for the Final Vision.

The Zionist Jew : the fanatical religious and militaristic israelite. Expanzionist, wages a war of extermination against muslims in the Middle-East to achieve the Final Vision of the Greater Israël.

Note : both sides act at a slow pace, to avoid the masses of goyim (Whites) from realizing the existence of the Subversive Jews and the existence of the Final Vision.

Two sides of a coin (1/2)

The Zionist Jew wishes for the conquest of the Middle-East to build the Greater Israël, a large empire that rules the entire Middle-East unopposed. Because Israël has not the power to achieve such conquest, the Zionist Jews relies on the Subversive Jew, to corrupt the other countries into fighting the Zionist Jews war of conquest.

The left-wing and right-wing are fully manipulated by using subversive strategies.

The right-wing, being nationalist, is a threat to the Jews, because the Jew does not want a strong militaristic empire that can oppose their dreams of conquest. So, they've chosen to enslave the right-wing to their will (hence why so many right-wing leaders are pro-zionists), to ensure that the patriot civilians of the parasited countries, under the nationalist leadership, would be the soldiers of their war.

Two sides of a coin (2/2)

To hamper the cohesion of the parasited countries, to reduce their superiority over Israël were the Deep-State failing to maintain control over these countries, the Subversive Jew uses several strategies to shatter this cohesion, by harming the identity of the Nation, using several subversive ways.

- First, by importing waves of immigrants
- Second, by creating a gender war (feminism)
- Third, by creating all sorts of degeneration (LGBT+, pedophilia)

These strategies have another use : they give a reason for the left-wing to oppose the right-wing. Because, as a legitimate reaction to this attack on their identity, the right-wing will fight these ideologies. As such, the Subversive Jew promotes the defense of these views, under the positive name « progressism » for « progress of civilization », among left-wing philosophers and leaders, to create this artificial war.

9/11 and the « inside job theory »

A widely known « conspiracy theory » is that the 9/11 terror attack was an inside job. I shall talk about a former « conspiracy theory »

What is the most realist, the most plausible to happen, to your opinion ?

- A ring of members of the elite from all the developed countries, from all the fields ranging from politicians to show-bizz, from sports to scientists, from globalist CEOs to journalists, all being networked together by a Jewish man, who organized a sex trafficking network kidnapping children to be endlessly raped in a luxury villa, on an island in the middle of nowhere, until death ensues

Or

- An attack organized by the American intelligence, known for its high skill in deceptive operations executed around the Earth, against its own people, to boost support for Israel?

Understanding

A metaphor of the Jew can be seen in Star Wars with the character of Palpatine.

- Openly rules the Republic (the right-wing)
- While manipulating the other side (the left-wing)

Another read exists :

- Creates a war between two worlds, the Core Worlds (the West) and the Outer Rim (the Middle-East)
- Tricks the Republic (the West) into going into an aggressive war
- Manipulating the Separatists and its several armed groups (the Middle-East by using puppets such as Hamas, Hezbollah, ISIS, or by maintaining the status-quo, such as attacking Lebanon, or by fueling the Iran-Iraq war)
- So it can form its dream of an united Empire thanks to the powerful Grand Army (the Greater Israël in the Middle-East, after having parasited the powerful Western nations into its own interests)

- > The Jew gets their enemies destroyed from the outside
- > The Jew gets their allies destroyed from the inside
- > The Jew gets to rule over the Greater Israel unopposed

DISCLAIMER

**This document does not promote ANTISEMITISM.
I am committed to fight BLIND HATRED AGAINST JEWISH PEOPLE.**

Think about it.

The blind hatred against Jews is how, when faced with criticism, the Jews shield themselves behind « anti-semitism », and can enact laws to censor any criticism of Israël, the Zionists Jew, and the Subversive Jew.

DO NOT SPREAD HATE SPEECH TOWARDS GENERAL JEWISH PEOPLE.

**BY STATEMENTS SUCH AS « HITLER DID NOTHING WRONG »
OR « JEWS DID 9/11 » YOU IMPLY THAT *ALL* JEWS ARE PART OF THE
DEEP-STATE AND/OR DESERVE TO DIE, WHICH IS ENTIRELY WRONG.**

DO NOT GIVE THEM THEIR BEST WEAPON TO FIGHT US. BE SMART.
